After Eight Years He Found It

In recent conversation, Mr. James Porter, 251 10th st. gave Sepol Shampoo unlimited praise, Having been troubled with a dry dandruff for eight years, which caused a burning, itching, irritated sensation. My hair was dry, brittle and falling out. I have tried any number of shampoos, hair tonics, with no results, until I commenced using Sepol, over a month ago, and must say it is wonderful. Cured my dandruff, stopped itching scalp and started new growth of hair. I think Sepol Shampoo is the right shampoo, for its antiseptic tonic effect removes all germ life.
