Seventh Straight Whipping Is Administered to Tigers by Fast-Climbing Indians.

NEW YORK, July 4 .- Cleveland re gained the American League leader-ship from New York today by adminstering Detroit's seventh straight decat while the Yankees dropped their first game in ten to Washington. The heavy slugging of the two leaders is carrying them along at a fast pace, but the Indian club lacks the smooth pitching that the Yankees possess. Either Covelski or Bagby, the Cleveand star twirlers, have been called upon in every contest for a week. The Cincinnati world's champions made a slight gain over Brooklyn for the National League leadership, Although the Reds are batting lightly, their ptichers held their opponents to an average of about two and a half runs a game last week. Brooklyn and Chicago both are enjoying good pitching again. The Superbas have been batting lightly but today pounded out 31 hits for 18 runs in a double header with Philadelphia. The Cubs, however, lost a battle for third place today at St. Louis when four pitchers were unable to check to the city for repairs. four pitchers were unable to check to the city for repairs.
