PORTLAND COMPAN **GETS ANOTHER BOAT**

Steamer Haymon Is Assigned Laden with fuel off and gasoline, the tank steamer Silver Shell arrived at 11 last night and went to Portland to disto Columbia-Pacific.

SINASTA EN ROUTE HERE

Seven Shipping Board Steamers Now Under Management of Local Concern.

The steel shipping board steamer Haymon, of 9500 deadweight tons register, now building at San Francisco, has been permanently assigned to the Columbia-Pacific Shipping company for management and operation, acpording to information reaching here from San Francisco yesterday. No announcement was made by the company as to the trade in which this steamer will be placed. She was launched by the Union Shipbuilding company at Oakland April 17.

Two steamers under permanent as-signment to the Columbia-Pacific Shipping company are now coming The other is the nasta, also of 9500 tons deadweight capacity, which was scheduled to leave the Bay City yesterday for at the Portland to load. Silence as to the field of operations of this vessel is also maintained by her operators. Four in North China Service.

service and one—the steamer Bearport—left Monday for Manchester, England, with 123,090 sacks of wheat shipped by the Pacific Grain company. The steamer West Keats of the North China line will be due from the Orient July 14 and the steamer West Nivaria July 36.

The Columbia-Pacific Shippins company was yesterday directing the operation of eight steel vessels in port, including the steamer Quillwark, which is taking on a part cargo at Astoria before coming here. Five of the eight vessels will take out full cargoes of grain. These are the Bakersfield, Hayden, Quillwark, West Wind and Yosemite.

Steamer Awaits Propellor Blades.
The steamer West Hesseltine is loading lumber for China at the Inman-Poulsen mill and is expected to South America, is due to sail tomorrow for Peru.
