

WILSON FIGHTS SKY OF MEETING ORTEGA

Middleweight "Champ" Like All Other Title Holders.

ALL THORNS ARE AVOIDED

Way "Picked" Along Titular Path in Order to Retain Crown; More Money Is Demanded.

BY DICK SHARP. Johnny Wilson, Boston's adopted middleweight champion, wants something softer than battling Henry Ortega of Oakland, who meets Mike O'Dowd of St. Paul in the main card of tomorrow night's boxing card at the Milwaukee arena.

Wilson has turned down the Tulsa, Okla., offer on the grounds that the purse isn't sufficient. He wants, like all "champions" before and after him, to "pick" his way along the championship path and is not going to step on any thorns—being that he was so fortunate as to earn a decision over O'Dowd.

Wilson Makes No Answer. If Wilson did not care to meet Ortega it is a safe bet he hasn't any aspirations to tackle the winner of the O'Dowd-Ortega fight at the Milwaukee arena.

Match Called Off. The Wilson-Ortega match was suggested by George Plummer, Tulsa promoter, according to Tommy Simpson, Ortega's manager, who arrived here yesterday. Simpson telegraphed back his terms and here was Plummer's reply:

"I just had a return message from Johnny Wilson. He asks me to get someone else other than Ortega for him. I have tried him again, a big offer, but he sure wants plenty." But even with the added offer Johnny could not see a match with Ortega.

Both O'Dowd and the Battler worked out yesterday afternoon at the Olympic gymnasium. They were in the shape of a cat.

Nothing was done toward the selection of a referee yesterday, but a meeting between Paddy Mullins, Tommy Simpson, Frank Kendall and George Moore will be held today to arrive at some conclusion for an official.

The eight-round semi-windup between Willie St. Clair and Eddie Shannon is coming in for a good deal of attention. Shannon's defeat at the hands of Joe Benjamin is being labeled as a fluke by a number of the fight followers, who still believe that Eddie is the kingpin of Pacific coast lightweights.

A slugging match is looming in the six-round tilt between Jimmy Fliske of Rock Island and Niel Zimmerman. The Portland youngster registered a knockout victory in Eugene the other day.

The six-round match between Danny Edwards and Baby Blue, the two bantam tar babies, will be for the colored heavyweight title.

Young Fisher and Johnny Bosovich will clash in the four-round curtain raiser.

Local Women Prominent in Olympic Trials.

Portland Rapidly Assuming Importance as Aquatic Center.

BY RUTH STACKER. FOR the first time in the history of the Olympic games, women of America will be represented in the water sports. Eight years ago Fanny Durack, Australia's classiest swimmer and world record holder, took all honor at the games in Stockholm, Sweden.

It is nearly certain that the Portland divers will make the grade. Thelma Payne has held the national championships for three successive years, and Mrs. Dressler has come back this year with flying colors.

Happy Kuehn will dive against Pinkston, San Francisco; Carl Swendson, Los Angeles, and several divers of the east in the Olympic games try-outs at Chicago Saturday afternoon. Kuehn's good work in the trials at Neptune beach, San Francisco, nearly

BACKUS COMES WITHIN SLIGHT DISTANCE OF RECORD.

Fly Experts Have Good Outing and Arrange for Two Future Events.

NEW YORK, July 7.—Sir Thomas Lipton's Shamrock IV, challenger for the America's cup, and Resolute, defending craft of the New York Yacht club, were hauled out of the water in Brooklyn today for measurement in anticipation of the international races of Sandy Hook beginning Thursday, July 15. The yachts are being measured by Professor Harold W. Webb of Columbia university and a corps of assistants.

Measuring the cup yachts is a difficult proposition, as the rule this year requires that the craft be weighed for displacement. It will require at least 500 square measurements being drawn off on each craft. At the rate of progress made today it is doubtful whether the work will be finished before Saturday.

It is generally believed that Shamrock IV is the largest craft and will have to give at least six minutes to the American defender.

A look at the two boats as they were out of the water was an interesting study to all interested in naval architecture. Resolute is decidedly smaller and has a more conventional hull. She looks a lot like a modern yacht with absolutely nothing revolutionary in her lines.

When Professor Webb finished his work today the water line length of the yachts had been taken off. He stated that each yacht was under the 75-foot limitation required by the conditions of the race.

DAVIS TEAM AT EASTBOURNE

American Players Favored to Win Against French Experts.

EASTBOURNE, England, July 7.—The French and American Davis cup teams have been in Eastbourne at the same hotel for the past three days hoping to get acclimated to the local conditions. The courts here are much slower than the center court at Wimbledon.

The French representatives, Deoguis and Gobert, think this will penalize both sides equally, as all tennis players like hard ground. Tilden's series without trouble. There is general feeling that William M. Johnston, American champion, will recover his previous form. America's chances of winning are regarded most favorably here.

In the Davis cup matches, France versus America, the drawings are: July 8, Johnston vs. A. H. Gobert, Tilden vs. W. H. Laurin; July 9, Johnston and Tilden vs. Gobert and Laurentz; July 10, Gobert vs. Tilden, Laurentz vs. Johnston.
