> Cloud Men. By Grace E. Hall.

Far in the west, beside the ocean'r Where winds hold carnival and frolic free, There mus: be mammoth caves deep, dark and dim,

Where giants dwell and labor tire-For their's the task of rolling out the clouds. Into formations that shall please Or hanging them aloft, like ashen shrouds

That force the tears from mournful. bending sky. hese giants, too, are artists, for their skill Is seen in marvelous draperies pearl-gray, clothe the mountain-top and rusged hill, That clothe

With variegated haze at close of cross the miles of quivering, trembling sea.

They sall with phantom ships out toward the blue.

Unload a cargo of gold clouds, maybe, With streaks of bronze and purple

showing through. And sometimes when the earth has roused their wrath, These giant-folk load ships with clouds of black,

lling away across the ocean path ild a storm-bank ere they shall turn back; But even in their anger they must The clouds with drops of cooling crystal rain, when the tempest's past and all is

They see earth smile-and know their wrath was vain!

HARDING WILL SWEEP COUNTRY Victory in New York by 200,000 Pre-PORTLAND, July 19 .- (To the Edi or.)-I am a member of congress

representing the First New York (Roosevelt) district, and as a member of the naval committee had the pleasure of visiting Portland last I am also a member of the naval

commission Just appointed by congress (five senators and five repre-sentatives) to take under advisement and report to congress the whole matter of Pacific coast naval im-provements and establishments. I will therefore be out here again this fall. I am touring the national parks with Mrs. Hicks and my daughter, having already visited Rocky Mountain park. Yellowstone and Glacier parks and I am now on the way to Crater lake and from there will go to Rainler pass, returning to Wash-ington via Canadian Pacific railroad. I came west from the Chicago con-
