

SHAMROCK WINS; ONE RACE NEEDED

Resolute Loses Again. Lipton Twice Victor.

CONTENDER'S TIME 5:38:06

Defender Is Outdistanced by 2 Minutes 26 Seconds.

AMERICAN SLOOP LEADS

Irish Craft Takes Advantage of Soft Spot and Edges Half Mile Ahead After Start.

SANDY HOOK, N. J., July 20.—Sir Thomas Lipton tonight was scarier than the confederated ambition of his life-lifting the America's cup.

Today his "Irish sweetheart," Shamrock IV, ran up a tally of two races to more against the American defender Resolute, winning in a neck-to-neck contest by two minutes and 26 seconds, corrected time, needing but one more victory to bear the bottomless pewter mug back to England.

There were cheers on Sir Thomas' steam yacht Victoria when Shamrock swept first across the line today, but there was a hush when her crew worked feverishly to free a jib topsail that fouled within the first few seconds of the contest.

This fouling permitted Resolute to glide into the lead.

Resolute leads at start. For part of the first leg, the American sloop kept to the fore, but when she hit a soft spot the Irish craft slipped again into first place, edging along until she was half a mile ahead. To the surprise of yachting experts, a fancy little staysail flung on the challenger served her better than Resolute's big balloon.

Spectator craft grouped at the first turn greeted Shamrock with tooting whistles as she rounded 800 yards in the lead. Away on the second leg they sped, with the challenger catching every catspaw and Resolute rolling in the doldrums. Captain William P. Burton, who it was reported might be removed from command of Shamrock because of his showing in other races, was evidently making every effort to stage a comeback.

Resolute made a brave showing at the beginning of the third leg, and picking up at the turn fought her way home under the guidance of Captain Charles Francis Adams II, disputing every second. But it was no use and by the time Shamrock had crossed the line it was certain that she had won by a safe though narrow margin.

Wind Delays Gun.

The regatta committee at noon today hesitated 15 minutes and then decided that the westerly breeze would hold and hoisted the signals for reach south-southeast, a beat about west and another reach northeast-by-north.

The fight for position was rather dull as Skipper Adams allowed Shamrock to cross 38 seconds ahead, which extended Resolute's time with her time allowance at the finish to seven minutes and 38 seconds. It looked like a very liberal margin, but the defender but it was found to be too small to give her the race.

The first 15 minutes were featured by bungling sail-handling on Shamrock. The breeze made at each long break out and finally when yanked it fouled around the stay. Then a spinaker and two or three headsails were set and taken in. During these experiences Resolute's wind "right into the lead and it looked like a repetition of Saturday's contest.

Defender Pulls Ahead.

Finally Burton settled down on a No. 1 jib topsail and a little trisail which looked like the down-sail in Sherman's main topsail, set on a stay from the end of the bowsprit to ten feet below the cross trees. There was a big space between the two sails and as Resolute was streaking it along under balloon only, the defender drew out until she was more than half a mile ahead.

Then the wind became fleckle. Shamrock had been worked out to windward, found the edge of the breeze just as Resolute did when she gained such a lead last Saturday.

Nursing the draft of air, Burton ran by Resolute so fast that it looked as if the defender had dropped her anchor. Resolute's wind "right into the lead and it looked like a repetition of Saturday's contest.

2.5 TO 1 BET ON HARDING

\$2500 Laid Against 1000 Nominee Will Be Next President.

NEW YORK, July 20.—(Special.)—James W. Ball & Co., 67 Exchange place, announced today that a wager of \$2500 against \$1000 had been placed through them that Senator Harding will be the next president of the United States.

This is the first time an actual wager has been made at such long odds in favor of the republican candidate. There appeared to be a little more Cox money in sight than heretofore.

But, as a rule, the followers of Harding were not disposed to give 2.5 to 1, which adherents to the democratic nominee were demanding. An offer of \$2500 at even money that Senator Harding will carry Ohio went without takers.

WASHINGTON, July 20.—Charges of profiteering in oil on the Pacific coast were being investigated by the department of justice. Today's reports have reached the department that dealers on the Pacific coast are demanding purchase of lubricating oil or other automobile necessities when selling gasoline. Dealers engaged in such practices are liable to prosecution under the Lever act, officials declared.

Other reports reaching the department were that oil interests on the Pacific coast were claiming that high prices of materials and shortage in production made high oil prices necessary.

Unannounced Delegation Opens Front Porch Campaign.

Marion O., July 20.—A delegation of Elks, from Findlay, O., appeared unannounced on Senator Harding's lawn today and with the help of the republican presidential nominee and a brass band staged a curtain-raiser to the front porch campaign.

The senator's role consisted of a great deal of handshaking and short talk in which he had backed to his boyhood when the Marion band, of which he was a member, went over to Findlay for a prize competition.

"We copped off the prize," he said, "and we came home almost as proud as we were when we heard the result of the Chicago convention."

"I'm very proud to be an Elk," Senator Harding said, "and I feel that the Elks of the United States have made a record for patriotism and service that will remain imperishable as long as the memory of the great war endures."

Politics was not touched on in the talk, nor did the candidate make any further statement today in his league (Continued on Page 2, Column 1.)
