## COX MAY BE ASKED TO PROVE CHARGES

Republicans Resent Claim About Campaign Fund.

PUBLICITY PLAN HINTED

Suggestion Made Nominee Either Prove Accusation or Admit an Ulterior Motive.

Washington, July 72.—Governor James
M. Cox, democratic presidential candidate, and his running mate, Franklin D. Roosevelt, will be called upon to tell what they know about the collection of excessive republican campaign funds, if a suggestion sent to Senator Kenyon, chairman of the sen-

tee, is followed.

A letter has gone to Chairman Kenyon from Washington requesting that he call his committee logether at once and summon both Cox and Roosevelt to make good on their charges that the republicans are raising a staggering fund. Republican leaders are of the opinion that such serious charges call for investigation at once and that the two candidates making the accusations should be no more immune from being called as witnesses than any ordinary citizen.

Evidence Held Necessary.

fort will be made to dig further into the costs of the Cox pre-convention campaign and the charges made by the headquarters of an opposing can-didate at San Francisco that the discording to dry leaders not necessarily present cost.

Interested in the republican side of The efficie

tributing their money to the wet canwet states of the east, it is charged

Two Factions at Work.

Those who would like to have their wine and beer are being told that Cox' election means a liberalizing of the Volstead act to permit a higher alcoholic content, and those who own large stocks of liquor now locked up in warehouses under federal guard are being told that the democratic candidate, if successful, will foster some sort of indemnity to those who lost heavily at the abrupt manner in which the country was made dry which the country was made dry. Out in Kansas, one of the pioneer prohibition states, people are getting all excited over the nomination of a wet candidate by the democrats. Out in Kansas, one of the pioneer prohibition states, people are getting all excited over the nomination of a wet candidate by the democrats. Senator Capper says in one of his publications that the San Francisco convention "labored and brought forth

cratic standard-bearer, and his chief O.-W. R. & N. Caboose Breaks aides today rounded out the opposition programme.

Announcement that August 7 had been fixed for Governor Cox' notifica-tion at Trail's End, his home near

Dayton, was made.
The following Monday, August 2.
was chosen for similar ceremonies for was chosen for similar ceremonies for Franklin R. Doosevelt, the vice-presidential nominee, at Hyde Park, N. Y. The governor declined to discuss the acceptance address of Senator Harding, his republican antagonist. The governor announced that he would leave here for Trail's End to devote himself to his acceptance speech. He said he planned to lock himself in his library for a couple of days, study his topics and then call a stenographer. He expects the address will require constant work all next week.

their train in front of the place, they are alleged to have given chase.

The police report of the affair states that Black, being fleet of foot,

caught a nice fat hen.

Rockwell, heing engineer, took possession and carried the prize into the engine cab, says the report.

It was at this point that the "cops" put in an appearance, and coincident with their strivel in the office Eath with their arrival in the offing, Rathman, the fireman, got busy.

He grabbed the squawking hen, says the report, and thucked it into

the firebox.

"They burned the evidence, so we could make no arrest," wrote the investigating police in their report to Captain Inskeep "But we advised the woman to appear at the police station and file a complaint."

## **CRAFT TURTLES; 42 LOST**

TRAGEDY BECOMES KNOWN WHEN BODIES WASH ASHORE.

Schooner, Heavily Laden, Turns Bottom Side Up at Night Off Mazatlan, Mexico, Reported.

SAN DIEGO, Cal., July 22.—The Mexican power schooner Jacoris Conde. formerly the Japanese-owned Ton Maru of this port, turned turtle and foundered recently at night off Mazatlan, Mexico, with the loss of 42 lives, according to word brought here today by the motorship Jeannette R. Those aboard the Jeannette R. said that that from information they had ob-tained at Lower California ports not a person aboard the Jacoris Conde

escaped, and that the tragedy became known only when bodies of the crew and passengers began to wash ashore It was reported the schooner was heavily loaded and the theory was that the deck load shifted suddenly, causing the schooner to list sharply and turn bottom side up without re-gaining an even keel.

All those who perished are said to have been Mexicans.

According to reports brought here by the Jeannette R., the foundering of the Conde came in the middle of the night while the sea was com-paratively calm.
The name of the schooner's cap-
