Favorable action is being attracted throughout the country to the "conservation of vision" classes in the Cincinnati public schools, according to had heard so much. They returned Dr. W. H. Peters, health officer of to the Portland hotel last night dethat city. Applications have come hand in the matter of asking co- from other cities for admission of pupils. One child, brought all the way mura, local Japanese consul. from the state of Wyoming by its, parents, has been admitted.

Sixty-two children are enrolled in the enough. That is the one big danger that is classes whose members are bordering on blindness. Class rooms are selected for their favorable light the desks are movable, so that they pointment over the census. The 4849 can be adjusted to get the best light at different times of the day; text-books are printed in larger 1; pe than usual, to obviate eye strain. Some children become so improved in vision that they are able at the end of the glass tubes for lighting purposes and year to return to their regular classes. prevents much breakage.

Those Who Come and Go.

"Tired but happy" is the slogan to sharks. When told about 20-pound rainbow trout that are said to infest the waters of that district, he went the story one better and said that he himself had seen Dolly Varden trout that tipped the scales at no less than 30 pounds. Roy W. Rittner, state senator, of Pendieton, who is also slowly making his way back to his home town from the convention, backed up the story. He and Burdick had fished together, he said, both before and after the state went dry.

Wilson are as yet obscure. The little light that filters out from its darkness gives us the cheering news that Wilson is not sick and that Cox and he are absolutely one regarding "the league of nations."

In general scope, Wilson is of the opinion that the platform will have the united support of a united party. Wilson has evidently not had his ear closely to the ground of late. The mutterings of resentment to his unsatisfactory administration come out of the mouths of many of his own There is one man in Portland today

visiting nobles were swarming into the city, Mr. Ebbers received a wire calling him back to Chicago. He missed all the fun and all the parades n'everything. In the east and all the way back from the east he was met

disrupted the democratic party?

How can the Wilson idea of Mexico, of Armenia, be defended by him? Yet, he pledges himself to uphold and sup-port them.

Would Tammany, in the face of way back from the east he was met by returning nobles who told him of the wonders of the "convention city of the west" and how the city was turned over to the Shriners and all glorious times they had had. uessing:

A targe delegation of Klamath
Louis C. Minette, applicant for the Falls Elks motored down from the convention to spend a few days in Yes, I knew she'd borne a Portland "resting." The party includes G. W. Houton, E. J. Bodge, born on a ship flying the Spanish R. M. Nickerson, J. J. Johnston, C. A. By the brightness of her face, colors while lying in the English Hayden and O. W. Robertson. All for tweether the full divine and full of grace. The French government is auctioning off eight million bottles of channel adopted by a German, who brought champagne—and Atlantic liners are "Would you class him as a man association of Elks at the convention.

The fame of the Columbia river highway has penetrated to far-off Nippon. Yesterday when T. Ikeda Nippon. Yesterday when T. Ikeda I knew it by the queenly strength and M. Tsukasaki, departmental of-ficials from Japan, arrived in Port-Which comes to those who walk with land from Seattle en route Tokio, the first thing they th about and did was to take a over the highway about which They returned claring that the highway was "indeed spiendidly beautiful."

Quick Cooling Helps Glass.

London Tit-Bits. The brittleness of glass is due to the quick cooting of the hot sub-stance. It is known that constant motion tends to rearrange the molecules in any substance and similar effect is observed when glass is boiled

GOV. COX INHERITS NO ASSETS Wilson Leaves Him Nothing on Which

to Build His Campaign. PORTLAND, July 24 .- (To the Ed erman in his home town. He knows incidents of that harmonious and fish from A to Z and from tadpoles to sharks. When told about 20-pound Wilson are as yet obscure. The little

of the mouths of many of his own party; thousands upon thousands have left him for reasons more than who is the victim of a great regret, one. It is not alone his ou tre, cui and that is J. A. Ebbers of Chicago, dance that has sickened them—but who is a Shriner and was called east is woeful lack of business perthe very day the Shrine convention spicacity as well. He does not leave a

Who piolters might do well to adverse to 1913-1914, when we had reached the lowest political vitality in years under his ride. They might tell the dear people why these millions of idle men were searching the country for work just before the opening of the European war. Can you imagin Cox or any other democrat referring to those wretched conditions? Yet, they are directly chargeable to the Wilson administration. Republican Wilson administration. Republican speakers likely will have much to say on this particular point.

The democrats this year have multiplicity of rankest blunders defend. Tammany even repudia Wilson and his weakness. something stronger. It wants and beer. How would "Wilson us out of war" transformed to booze" sound for their campaign war cry?

KING SUGAR REIGNS IN CUBA

Sugar, like shoes, we once took for lem and sugar "speak easies" are no uncommon in lands where the supply is rationed.

"With a sugar production nearly doubled and prices more than quad

rupled since 1212, one can readily se why Cubs is the world's El Dorado o 1920, and why sugar is its king. "The imagination is almost over powered in attempting to comprehen the vast proportions of the sugar in dustry of the island as it exists the

around the earth, would be require to move it. The crop would suffic to build a solid wall around the en tire 2000 miles of the island's coast line as high as an ordinary dwelling house and thick enough for a file of four men to walk abreast on it.

"The sugar extracted from this cane ship for every mile of the 1200

"How much net profit the grower reaps at 1920 prices is hard to convention. Pat was one of the leaders in one of the most vigorous political campaigns ever waged in and so fertile that one planting pr duces ten harvests. Neither docultivation bother him after the firseason, for the blades stripped ne crop form a mulch that keeps the weeds from competing with the next "Think of the profits that the

American farmer would make out of corn if he could get ten crops from planting, and did not have to w nine of them at all to keep own the weeds.

"Another item in the low cost of producing sugar is the cheapness the motive power. The cane is hault ox-carts. The oxen live from six to ten months a year on the blades stripped from the harvested stalks, and the remainder of the year on succulent guinea grass. Think how prosperous would be the American the fire. The militla slept on their farmer if he could have animal motive arms throughout the night. power requiring not a pound of grain

A BABY SOMEWHERE.

nation." They have changed from game hunters and wanderers to land ats in almost all colleges in the dinary! country.

## More Truth Than Poetry. By James J. Montague.

MERE RUMOR.

I've heard of star - reporters, who, when liquor freely flowed. Would roost around a gin mill till they'd laid aboard a load Then stagger to their office desks and, with a foolish smile. Dash off exciting stories that were bears for zip and smile.
But, though some seven thousand

star-reporters I bave 've never seen a single stew write one real story yet. I've heard of gifted speakers who,

when they were nicely sloughed,
Could move to tears or laughter almost any sort of crowd.
Who, once the fires of eloquence were lit with alcohol, Could make applause re-echo through the brilliant banquet hall. But, though with many orators and

well when he was jingled. I've heard of mighty statesmen who would flop into their chairs And, with the aid of liquor, straighten out the world's affairs.

I've heard how they have labored with the bottle every night

To gain the strength they needed

speakers I have mingled, er yet have met one who spoke

when they steered the nation, yet I've met a lot of statesmen, but I can't recall to mind A one of my acquaintar this especial kind,

I've often heard John Barleycorn has been the patron saint Of many famous gentlemen who write, of many famous gentlemen, and sculp and paint; That if he quit and left them flat, their inward drive would cease, But, though I know some geniuses, I've never met one ever bulk a masterplece, to-gether with a bun.

Little Boy Scout. By Grace E. Hall,

"Cox Little Boy Scout, where the dank We see the dim footprints you left on the trail: On streams where you fished are the autumn leaves falling.

The grouse broods are croeningthere's sound of the quail We listen oftlines for your laughter and whistle There comes but an echo our lone hearts to chill;

The breeze is a sigh as it touches the thistle And tosses its white floss against yonder hill. Little Boy Scout, did you pledge your In secret to one who commands

from on high?

Ah, well you have kept it! With tender emotion You took up the last march and bade us good-bye.

We would not recall you to pathways Too rugged the trails for a laddle like you; We'll meet you in camp on that happy

When all of your dreams and ours

In Other Days.

Twenty-five Years Ago. m The Oregonian of July 26, 1893. Pocatello, Idaho, -- Reports Market Lake today stated that

white persons were killed by the Ban

nock Indians near Jackson's Hole

Tokio,-Cholera is raging in Japan and nearly every province in the em-pire reports a heavy death rate from the disease.

Now that it is practically certain that Third street is to be paved with asphalt, property owners are anxious that the work be started.

Some important changes and imrovements have been made to the orrison-street bridge since it was made free to the general public.

Fifty Years Ago.

From The Oregonian of July 26, 1870. Berlin.—Italy issued a proclamation of neutrality at Florence today. There have been demonstrations in favor of Prussia at Milan, Padua and Genoa. Raleigh, N. C .- The Ku Klux fired

on a body of negro militiamen here last night and the militia returned

Railroad surveyors crossed the Willamette near Milwaukie yesterday and are now running lines toward Hillsboro to determine the desirabilty of building a road into that dis-

Grain and all crops of early plant-ing in eastern Oregon are doing well, but all late crops were injured by the extreme heat and drought.

WET, DRY SLOGANS ENLARGED Designs Offered for Democratic and Republican Buttons.

HOOD RIVER, Or., July 24 .- (Sperial.)-Judge Lowell's campaign slogans seem to have hit the right spot. Now allow me to suggest as appropri-ate sentiments for button pictures of the two candidates the following interrogatories and answers: Beneath Cox' picture, "Wet?" "You bet!" Be-neath Harding's, "Dry?" "Aye, aye!" A picture of each with its motto could be placed on one button as a constant reminder to the wearer, the unsophisticated follower of Cuckoo Cox, that there is a tremendous dif-ference between those two candidates on the indirect but vital issue of the

18th amendment to the constitution of the United States.

Tammany knows! Bourke Cockran knows! Tom Taggart knows!

Governor Edwards knows! The 356 immovable advocates of the Cockran wet plank at the San Franci vention know! And William Jennings Exchange.
