The American Legion of San Francisco is the latest organization to join the ranks of the tennis clubs of California. The legion recently held a successful tournament.

California tennis players are upholding the honors of their state in fine shape this year by gathering in titles all over the country. The most notable feats performed are those of Roland Roberts and Peck Griffin. Roberts won the national clay court championship in the tournament held at Chicago, and with Vincent Richards of New York as his partner, took the doubles.
