AA League Standings.

Table with columns for team names and statistics.

Honeyman Hardware retained its lead in the inter-city circuit yesterday by taking a game from the Portland Iron Works on the Sellwood park diamond by a score of 8 to 4.

Both teams scored one run each in the first inning with Manager Bradley's crew scoring again in the third. Honeyman came back in the fourth with three runs, and the iron workers tied the score in the fifth.

From then on to the eighth the battle was scoreless. Honeyman broke the tie in the eighth by edging over a run and put the game on ice in the ninth.

Fred Helmke, Honeyman catcher, pulled the Babe Ruth in the fourth inning, popping out a circuit clout with two men on.

Kough, former Camas twirler, was on the mound for the Iron Workers and pitched good ball. The support given him at times was very poor.

Doc Quisenberry pitched for the hardware team and was touched up for 12 hits, but the fielding of his teammates was as usual snappy and scores were shut off several times.

Bill Heale's Kirkpatrick Stars defeated the Hillsboro team, 8 to 5, at Hillsboro yesterday afternoon in a close game.

Although the Hillsboro team made ten hits to the five garnered by the Kirkpatrick crew, the former could not edge over a victory.

Brown, the Hillsboro pitcher, was as wild as a March hare. He walked nine men and was unsteady in the pinches at other times.

Only the good fielding of the Hillsboro team behind him held down the score. Besson started in the box for the Kirkpatrick and went until the ninth inning, when he was relieved by Boland.

The Multnomah Guards slipped another notch in the percentage column by dropping a game to the Camas Blues by a score of 3 to 2.

All the scores of both teams were made in the first four innings and after that it developed into a pitchers' battle between Larry Miller for Camas and Benny Culver of the Guards.

Hargreaves, Camas second baseman, connected for a home run and Big Lund of the same team rapped out a three-bagger.

The score: R. H. E. Camas... 3 8 9 (Mult. Grds. 2 8 0 Batteries—Miller and Kershaw; Culver and Matson.

PAPER MAKERS TASTE DEFEAT

Arlita Humbles League Leaders in Uphill Contest.

The Arleta Woodmen of the World took the league-leading Crown Williamette team down a notch in the percentage column yesterday when the Mt. Scott lodgemen defeated the papermakers in a close game on the Sellwood park diamond by a 6 to 5 score.

Arlita fought an uphill battle, coming from behind twice and tying the score and finally winning the game in the seventh inning, when three runs crossed the plate.

Eddie Rathjen, Arleta second baseman, led his team with the willow, getting four hits, one of which was a King Cole started on the mound for the Falls City team, but a mixup in the second inning resulted in his being put out of the game by Empire Shea.

Cole was caught between first and second base and to all appearances it looked as though he had been hit by the ball. Whether it touched him with the ball, whether it was intentional or not was unknown, but the umpire sent him out of the game.

Jones took the work in the box for Crown Williamette and pitched good ball. Lefty Leonetti was Manager Brooks' choice for the hillcock. Both pitchers were touched up for ten hits.

The streetcar men's local team annexed a win over Columbia park after a heroic and nerve-racking ten-inning game in a game staged at Columbia park yesterday.

Manager Vosper used three twirlers and two catchers in his successful attempt to ward off defeat. The Columbia parkers, not to be outdone, used a total of four men in the battery department, two chockers and two backstops.

In the early innings the railway lads were credited with five errors, which netted their opponents five tallies.

With the score 5 to 0 against them, the ticket snatchers fought a game fight and nosed out Padden's men in the tenth frame.

Feldman, catcher, was split and put out of the game for several weeks.

Kendall station scored a total of 23 runs against Battle Ground in a double-header played in the Washington city yesterday, while the home guards were chalking up only seven runs.

Four homers figured in the dramatic slugging. Brant, Steiger and Murphy clouting out circuit drives for Kendall and Matson for Battle Ground.

The score: R. H. E. Kendall... 18 16 2 (Battle Grnd. 5 9 3 Batteries—LaMear and LaMear; Smith and Matson.

"Cap" Larson and his Cook & Gill squad broke even in a double-header play at Columbia beach yesterday with the American Can company, winning the first game 12 to 6 and dropping the second 3 to 0.

However, the Canos used Rappe, under contract to the Oregonians, and may lose the second contest as a result, when the official score is canvassed by the league officials.

First game: R. H. E. Canos... 7 14 8 Batteries—Kallio and Leonetti; Sage, Fors and Berkstrand.

Second game: R. H. E. Canos... 3 0 0 Batteries—Moor, McKinley and Leonetti; Rappe and Saub.

Walgrave held Capitol Hill to two hits and struck out 13 batters in the nine innings.

Haines of the Oswego team broke into the limelight in the third frame when he recorded a double steal, taking second and third bases.

Shipley also got a big hand in the third when he poked out a sizzling three-bagger.

Hawaiians May Play Here. HONOLULU, T. H., Aug. 1.—(Special.)—A Hawaiian soccer football team may play in the northwest during the coming winter.

An official of the local league will soon leave for the coast with a view to ascertaining what arrangements can be made. It is hoped to have the team direct from here to Victoria, play there, then play in Vancouver, then in Seattle, and finally in San Francisco, before returning to Hawaii.

That to satisfy his members HE MUST give them some advance now; that the league was going to have more for its milk; that he didn't care what anyone thought or said, the price must GO and he would not "stand" for any more milk commissions; that he was to get the price next winter he would demand the prices must now commence to advance to the people of Portland.

On June 17, the next day, Alma D. Katz telephoned the representatives of the distributors not to announce any change in price to the dairymen, but NOT TO FAIL TO ADVANCE THE PRICE to the public 1c per quart, and that he would give us further instructions after the rush of the Shrine convention was over.

On July 7, after the price to the public had advanced, at a second meeting held in Mr. Katz's office, as above, he amazed the distributors by demanding an increase for his league milk 6c, which would make the price \$3.50 per hundred pounds, only 10 cents less than the highest winter price heretofore prevailing, and stated that further ADVANCES WOULD BE DEMANDED in October.

Disinfection Cuts Down the Sick-List

Big sick-lists are unprofitable to the man who pays salaries. That's why organizations aiming at high efficiency take every available means to protect the health of employees.

Frequent disinfection is one of the first steps in health protection. Proper disinfection kills disease germs and thus prevents sickness from spreading throughout the establishment.

Cuspidors, toilet-rooms, sinks, drains, floors, window-sills, dark corners—all are favorite birthplaces for disease germs.

Sprinkle a solution of Lysol Disinfectant frequently in all such places. Insist that Lysol Disinfectant be added to all scrubbing water, too.

Used regularly, Lysol Disinfectant kills germ life or prevents its creation.

A 50c bottle makes five gallons of powerful disinfectant; a 25c bottle makes two gallons.

Remember, there is but one genuine Lysol Disinfectant—made, bottled, signed, and sealed by Lehn & Fink, Inc.

Contains the necessary proportion of the antiseptic ingredients of Lysol Disinfectant to render the razor, strop, cup, and shaving brush especially clean, guard tiny cuts from infection, and give an antiseptic shave. If your dealer hasn't it, ask him to order a supply for you.
