DECISION DECLARED BENEFIT.—The federal court decision barring the Prest-O-Graph company of Portland from using a single screen process in its poster work, announced earlier in the week, instead of hampering the Portland concern is helpful to it, de-clared officers of the firm yester-day. The statement was made fo correct an erroneous opinion, even among patrons, that the decision favoring patrent holdings of the Selectasine Patents company and Vitachrome company of Los Angeles would handleap the local business firm. The poster company uses only multiple screens and the decision of the court in reality hurts the plain-tiff companies and limits their op-erations, the officials who were de-fendants stated. The transfer was effected by City Com-Panama Hats missioners Barbur and Mann, who are Values to \$10, Special personally investigating the earwig attuation. Lack of enthusiasm on the part of the park superintendent in the fight that the city officials intend to wage against the pest was given as the reason for the assignment of the work to Mr. Jones. Following investigations made by City Commissioners Mann and Barbur Wednesday night, Mr. Barbur an-nounced he would prepare an or-dinance declaring the earwig a nul-sance. This will require all residents in the city to take effective measures against the finets. Tests made by Mr. Barbur show that ordinary coal oil sprayed on the earwig results in its immediate death.
