

POLITICIANS' PICNIC TO BE HELD TODAY

Republicans Have Best of It at Enumclaw.

RIVALRY WILL BE BUSY

Democrats Will Be Closeted With County Committee Working on Ticket During Outing.

SEATTLE, Wash., Aug. 6.—(Special.)—From every corner of the state the politicians who are seeking office and those who are interested in others who are doing the running will trek out to Enumclaw tomorrow to attend the annual picnic of south end farmers.

The Enumclaw picnic, an affair now more than 15 years old, is the most attractive of the summer gatherings in the country. Insofar as politicians are concerned, last year there were nearly 5000 in attendance and this year it is expected the Saturday and Sunday crowds will be fully as large. Republican politicians have something of an advantage over the democrats in attending the Enumclaw picnic, for the republicans are formally entered in the primary races, while the democrats have yet to qualify.

Republicans to Be Out. While the republicans will be out among the farmers and the city visitors tomorrow, democratic hopefuls will be closeted with the democratic county committee putting the finishing touches on a county ticket that will be filled during the coming week. Some of the old-timers among the democrats, though, will get out to Enumclaw.

The Enumclaw programme will include everything that goes with a farmers' old-fashioned picnic, from stump speeches to foot races. There will be a row of concession booths, exhibitions of prize-winning poultry, produce and a lot of lunch baskets. But the fun the politicians enjoy in the sporting events which are carefully arranged to entrap every politician of high or low degree and every style of architecture.

Politicians Vie in Dash. But for the fact that he grabbed his toe and fell over a root of a sturdy fir tree, Dan Landon would hold the politician's race for the 100-yard dash at Enumclaw. He was in front of the bunch last year, but finished the race on his ear, a circumstance that a board of arbitration is prepared to rule tomorrow marred his record last year. The race will be run off either Saturday or Sunday.

As many of the state and congressional candidates as can get to Enumclaw will be there tomorrow for the day's enjoyment. The old-timers will have to drive out in farm wagons, but now they can reach the grounds by automobile over paved roads or can travel in comfort by railway train or automobile bus. However, there will be a big partying of farm wagons. City visitors can find the picnic grounds easily, for it is hard by Lou Smith's old farm.

Democratic Leaders Busy. Democratic leaders may get out to Sunday's picnic, but they have a lot of business on hand tomorrow. Chairman George F. Christensen, who is in Tacoma today in consultation with National Executive Committee Titlow, will be here tomorrow to consult with the democratic county committee on plans to fill the county ticket.

C. D. Pullen, chairman of the county committee, said today that actually all places on the county and most of the legislative ticket are agreed on, but some holes will be plugged up at a meeting which will be held at the County Democratic club's luncheon gathering Saturday. The candidates will file their declarations next week. State Chairman Christensen has called a conference of state legislators Sunday to make a final check on the ticket is filed. The first congressional district problem probably will be solved today.

Registration Is Not Heavy. Reports from county districts indicate that registration for the primaries is not as heavy as had been anticipated. In Seattle, where a municipal campaign brought out a heavy registration early in the year, there is very little rush of new voters to qualify.

Registration for the primaries closes August 15 in this city and country. An especial appeal has been made to country voters to register during the next two weeks. The non-partisan league has been canvassing its membership for registration, but republican leaders do not believe their committee will be able to get a vote in getting out the republican vote. Emphasis on registration will be laid at the Enumclaw picnic.

WAGPIC REVIEW

Two different feminine types on the Peoples screen today. Frances Mann (left), leading woman of "Trailed by Three," and Billie Burke, star of "Away Goes Prudence."

TODAY'S FILM FEATURES. Peoples—Billie Burke, "Away Goes Prudence," "Trailed by Three." Liberty—Doris May and Douglas MacLean, "Let's Be Fashionable." Rivoli—Bessie Barriscale, "Life's Twists." Columbia—Hobart Bosworth, "Under the Surface." Majestic—George Walsh, "The Star." Star—Will Rogers, "Jes' Call Me Jim." Clifton—Charles Ray, "Paris Green." Globe—Eugene O'Brien, "Sealed Hearts."

TWO stellar attractions are scheduled to open today at the Peoples theater. They are "Away Goes Prudence," starring Frances Mann, and "Trailed by Three," with Stuart Holmes, Wilfred Lytell and Frankie Mann in the leading roles.

"Trailed by Three" is a story of a marvelous collection of south sea island pearls, stolen by a false claimant to the throne from the prince himself. Somersaults, wild dives and swift landings were among the aviating stunts shown in this photoplay. Its plot centered about the attempt to gain possession of United States mail carried in a government plane manned by Lieutenants Locklear and Elliott. One of the ways in which the Portland theater advertised the picture was by night air trips during which the plane was lighted and the local aviators set off fireworks. It was a similar although more pretentious stunt which caused the accident Monday night.

Locklear and Elliott were in Portland about three weeks ago, the guests of C. W. Keener at the local Universal exchange. Violet Heming, star of "Everywoman" recently shown at the Columbia, and of "Three Faces East," one of Portland's spring road shows, is visiting relatives in England.

Jack Pickford and his wife, Olive Thomas, are planning a two months' visit in Europe. John Stepping will support Nazimova in her new Metro production, "Madame Peacock." This has been purchased by James A. Von Heering and booked for showing at the Columbia in October.

Mabel Normand, in "Head Over Heels," will appear as a member of an acrobatic troupe. Mimi Hajas appeared in Portland last winter in person with this production. Tom Santschi has completed his first two-reel western, "Beyond the Trail."

Mary Allison is to appear in "The Marriage of William Ashe," which will bear the Metro brand. Rudolph Valentino has been signed to enact the leading male role in "The Four Horsemen of the Apocalypse."

Sir James Barrie is coming to America in the fall to aid in the production of "Peter Pan" as a Paramount picture. Priscilla Dean's next screen story, following "Outside the Law," will be John Colton's story, "The Cat That Walked Alone."

Melville McDowell has an important role in the second Clermont picture, "Beyond the Cross Roads," which will be released soon. The final round of the Sheneecossett women's golf tournament on the links at Baker Point today. Miss Collett won by 2 up.

TAXI DRIVER DIES FOLLOWING SMASHUP

Death of Ray Connors to Be Investigated Tonight.

CHILD IS RESTING EASILY

L. Comini Released on \$100 Bail After Being Arrested for Reckless Driving.

Roy Connors, taxi driver, who was seriously injured as the result of being struck by an automobile driven by Ralph Brady at Broadway and Stark streets last Saturday, died yesterday at St. Vincent's hospital. The body was turned over to Coroner Smith and an inquest will be held tonight in an effort to fix the responsibility for the man's death. Investigator Freiberg, who made an investigation of the accident, announced that Brady, who lives at 493 Albina avenue, would be arrested in connection with the case. Connors sustained several broken ribs and internal injuries which resulted in his death.

Brady Reported Speeding. Witnesses of the accident said that Brady, who was driving a machine which he had rented at George Smith's garage, Third and Gisan streets, was driving at a high rate of speed at the time of the accident. He is declared to have driven up Broadway at a rate of thirty miles an hour, and to have turned on Stark, going about 27 miles an hour.

Marjorie Savage, 7-year-old daughter of Mr. and Mrs. S. L. Savage, 598 East Third street north, was seriously injured in an automobile accident last Sunday evening. She was struck by an automobile driven by Robert Newman, 127 East Third street north, at Stark and Taylor streets. She was taken to St. Vincent's hospital, where she is resting comfortably. Her condition is critical.

The little girl was operated on yesterday in the effort to save her life. She suffered a fracture at the base of her skull.

Inquiry to Be Made. Mr. Newman said the little girl was playing and ran out in front of the machine from behind another car. Investigator Freiberg said he would make an investigation of the case in an attempt to fix responsibility. With the understanding that the relatives of the woman fatally injured in an automobile accident last Sunday evening would file charges which will probably result in a grand jury investigation against Mrs. M. Bernard, Ramapo hotel, the traffic bureau announced yesterday that it would not file charges against the woman.

Mrs. Bernard was blamed for the accident, which resulted in the man's death, by a coroner's jury Thursday night.

Two Hurt in Smashup. L. Comini of The Dalles, driver of an automobile which collided with a delivery car at Sixth and Columbia streets Wednesday night, resulting in the injury of two passengers in his machine, will have a hearing in the municipal court on a charge of reckless driving, Saturday. He was released on \$100 bail, following his arrest by investigators Freiberg and Tully, of the traffic bureau.

Mr. and Mrs. M. Z. Jerman, 528 1/2 Columbia street, were thrown out of Comini's machine and injured as a result of the collision.
