**HALF PRICE!** And for such everyday-wanted things as shirts, sox, underwear, ties, pajamas; yes, and cuff links and garters and like indispensables! Is it any wonder that we are enthused? Is it any wonder that we have prepared for an enormous attendance and, that safely assumed, say "shop early"? This fifty-fifty sale is for three days—Thursday, Friday and Saturday—while lots last. Enough for three days'

selling in most cases but other lots limited. It will be the hardest of hard luck if anything occurs to prevent a man from getting his share of the wonderful economies.

Won't bore you with details. Main thing is that everything listed here is half the price for which it was originally made to sell or half today's value, and that it is MEIER & FRANK merchandise which has its prices thus ruthlessly cut in two.
