Big Blaze Reported Near Clackamas Lake.

of Wapinitia Swept-Conflagrations in Washington Bad.

Reports of a big forest fire near COMING LIFT IN RAILROAD lucky streak in the Oregon national forest and two relays of fighters were sent out from Portland to aid in combating the flames. This is the first conflagration of any importance reported this season in the district. Supervisor Neal is directing the work of getting it in control. No details of the fire were con-

tained in the message, which was re-Wenatchee, the fire outlook is bad movement also is on.

Because of the great difficulty in obtaining competent labor and experienced foremen. The blaze on Icicle range has spread to the top of Eight Mile mountain and the Swauk creek Mile mountain and the Swauk creek fire has crossed the divide into the Spokane, Portland & Seattle, were in Olympia yesterday to attend the Blue creek watershed. The same report also stated that the Swakane portland stated by the Washington public utility commission on the appoint of the railroads to increase plication of the railroads to increase plication of the railroads to increase position floor leader, introduced the postponement resolution.

Unable to muster up under special order in the house tomorrow. "Call it up and kill it right," was the way Representative Neal, anti-house tomorrow.

Suffrage supporters were taken off their feet when Senator Warren, opposition floor leader, introduced the postponement resolution. the Wenatchee to take charge of one of the fire crews now at work.

HEAVY TIMBER THREATENED

Serious Blaze Reported in Part of Santiam Forest.

ALBANY, Or., Aug. 17 .- (Special.)-A big forest fire in heavy green timber was discovered today in section to the public service commission. Pending not the middle fork of the south Santiam river. Reports received here by C. C. Hall, supervisor of the Santiam national forest, indicate that it is a discovered today in section where the public service commission. Pending action by the commission the rates will not be changed on the Oregon City, Estacada and Mount Hood suburban lines.

The November election.

The end of the contest came suddenly in the senate when suffrage supporters were confident of victory. After a day of heated debate Senator Gates, suffrage leader, announced he was ready for a vote. dangerous fire and making rapid

those on Duffy prairie and on the head waters of Blue river, near the mouth of McRae creek, both of which

Considered Normal.

SEATTLE, Wash., Aug. 17 .- Conditions in the state as regards forest fires are normal for the time of year, and afford no evidence for alarm, according to George C. Joy, chief fire warden for the Washington forest fire association. Only one fire, that in the vicinity of Van Zandt, on the middle fork of the Nooksack river, in Whatcom county, has been re-ported in the fire association headquarters as touching green timber.

The heaviest damage reported was to the property of the Day Lumber company at Big Lake, on Friday, where several donkey engines, fint cars, logging lines and a quantity of fallen timber were burned. The loss there was about \$40,000, Mr. Joy says.

1200 TO 1400 ACRES SWEPT

Fire in Siskiyou Now Believed to Be Under Control.

MEDFORD, Or., Aug. 17 .- (Special.) since last Friday upon the Sisklyous is now under control. State District Fire Warden Eberle and a force have been fighting it. The fire aircady has burned over 1200 to 1400 acres in scattering timber land and some of it includes holdings of the Hilt Lumber

fires took place have a large per-centage of white cedar timber and owing to the high value of this va-riety of lumber, the loss was greater than had the burned logs have been fir. The fires were in Camps Two and Some damage resulted in standing timber. These fires are the only destructive ones reported to this date within the county.
