Head of Dandruff

The only sure way to get rid of daniruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retir-ing; use enough to moisten the scalp ind rub it in gently with the finger Do this tonight, and by morning

nost, if not all, of your dandruff will be gone and three or four more ap-lications will completely dissolve and intirely destroy every single sign and race of it, no matter how much dan-

You will find, too, that all Itching and digging of the scalp will stop at once, and your hair will be fluffy, lustrous, glossy, silky and soft and look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and never falls to do the work.-Adv.
