The Most Logical Reason in the World for This Sale
For the TRUTH Is Easily Told

—In estimating our Fall requirements for Men's Suits and Overcoats, we deemed it wise, considering the unsettled trade conditions, to pursue a conservative buying policy and instead of buying our entire Fall and Winter clothing requirements, we decided to place our orders for the early Fall months only.

—This plan received the hearty approval of all our clothing manufacturers except Fashion Park.

—Fashion Park arbitrarily demanded that we place at once orders covering our entire season's needs. They also stipulated the amount of clothing that we MUST buy. This demand was made without consultation or conference.

—We refused to accede to this arbitrary and unreasonable ultimatum, and shall discontinue Fashion Park clothing in our store.

We Have No Fault to Find With Fashion Park Clothing

—It is made of the choicest materials. Hand tailored by experts. Styled by one of the foremost designers of men's clothing. In this sale we offer

Suits and Overcoats for Men and Young Men

—Woolens, cassimeres, chevots, unfinished worsteds and pure worsteds—all-year-round weights—medium and heavy weights. Styles for men of every build and every taste.

A Great Collection of Overcoats and Ulsters

—Overcoats as moderate as \$16.30. Suits as low as \$30.00.

The Original Price Ticket on Every Garment

—You can measure the great reduction by deducting one-third off the original price.
