Will YOU Profit by the Experience of The Class Journal Company?

The Class Journal Company, of New York City, is using 25 Dictaphones in its various departments. These Dictaphones have made it possible for this company to handle a much larger volume of correspondence than formerly. A. B. Swetland, General Manager, says: "The Dictaphone offers a satisfactory convenience to dictators, for it is always ready during and after office hours. The result has been a saving in time and money."

Hamilton Brown Shoe Company, St. Louis, Mo., says: "We find the 29 Dictaphones used in our various departments absolutely necessary in handling the large volume of correspondence. The Dictaphone is a time-saver of the first order. That it saves money, we know, for our dictators can turn out at least 30% more letters than usual."
