

ORCHESTRA BACKING DEEMED ESSENTIAL

\$20,000 Asked for Maintenance of Symphony.

FORUM DISCUSSES MATTER

Chamber of Commerce to Be Asked to Appoint Committee to Assist Management.

The value of a symphony orchestra in general and of Portland's orchestra in particular was explained from all points of view at the luncheon yesterday of the members' forum of the Chamber of Commerce, which was given over entirely to a discussion of the needs of the symphony. The programme was appropriately opened with three orchestral numbers by some of the members of the symphony, led by George E. Jeffery.

In introducing Mrs. Donald Spencer, business manager of the orchestra, Charles F. Berg, who presided, explained that Mrs. Spencer donates her time and services because of her love for the organization. Mr. Berg is a member of the finance committee of the Portland symphony orchestra.

"One of the things I should have an orchestra is for the children," stated Mrs. Spencer, who used the "Magnavox," recently at the political conventions, so that her voice could be heard through the large room.

"I want to inspire the guardians of the children to make an orchestra which will aid children in understanding the fundamentals of music.

"Portland ranks high as an intellectual center. You would not want to close the public library or the public schools. We must have an orchestra along with other cultural advantages for our children."

Appeal Made for Support.

Mrs. Spencer explained that the symphony orchestra is not able to play with the best soloists and said prominent musicians from all over the United States have said that Portland has a fine group of musicians in its symphony.

"The standing of a community must not be gauged solely on the basis of industrial progress, but the intellectual standing must be considered also," declared Mrs. Donald Spencer. "Among the organizations which have contributed to our intellectual

achievements is the Portland symphony orchestra. I appeal to you for your support and your attendance.

"The finance committee in Portland is asking the smaller amount that is being asked in any city which has a symphony. Seattle is raising \$50,000; San Francisco, \$75,000; Los Angeles, \$25,000. Portland, by means of careful management, needs only \$20,000 this year.

"I wish to pay a high tribute to Mrs. Spencer who has given so freely of her time and ability for this work."

Portland should be made a musical center so that students may be attracted here was the statement of John F. Logan. The symphony orchestra is to music, what the Chamber of Commerce is to business," he said. "One of the emblems of appearance that goes to make up the standing of a city is the possession of a symphony orchestra.

Committee to Be Requested.

We must be careful to maintain our symphony to complete the magnificent standing which Portland already has attained."

William D. Wheelwright, who was introduced as the "fairy godmother of the symphony" since he has been identified with its work for so many years, said that Portland has a symphony of which everyone may be proud.

"This splendid record is due in great measure to the musicians themselves," he said. "We owe a great deal to their self sacrifice."

Mr. Wheelwright offered a resolution that the forum call on the chamber of commerce directors to appoint a committee of from five to seven members to co-operate with the management of the orchestra in making this, the tenth season, a success. The resolution was passed unanimously.

Mr. Wheelwright is honorary president of the orchestra.

"A symphony orchestra is a business asset for any city," asserted Frank Branch Bailey, "It is an imagined importance. One of the first questions asked me by eastern people is about the cultural standards of our cities here on the fringe of the continent.

"Would it not be a shame if we should have to surrender the distinction of supporting an orchestra which means so much to us? Our musicians are co-operating in a way not surpassed in any city in the United States."

Programme Is Rendered.

Twenty musicians, most of whom are members of the Portland symphony orchestra, gave the following programme: "Waltz, 'Tres Jolie,' by E. Waldteufel; Poveris, 'Excelsior Ganne'; and Fritz Kreisler's 'Liebeslied.' The personnel was first violins, Mr. Jeffery, A. Wunderwald, J. F. N. Colburn, Frank Eichenlaub; second violins, A. Nelson and A. L. White; viola, E. Thielhorn and F. C. Harbeck; cello, F. Konrad and J. Eitz; bass, M. Genar and G. Bertram; flute, R. E. Millard; oboe, F. Starke; clarinet, E. L. Rice and A. Graves; horn, C. W. Walrath and J. H. Ludwig; timpani, G. Schultz; harp, G. Graf.

ONE of the most attractive teas of the season was that given by Miss Rhoda Rumelin and Miss Katherine Hart yesterday afternoon, complementing Mrs. Carlton W. Betts, who will leave tomorrow for her home in Buffalo, N. Y. The rooms of the Charles E. Rumelin home were charming with summer decorations and many friends called during the afternoon to bid farewell to Mrs. Betts, who has been residing in the summer with her parents, Mr. and Mrs. Joseph Nathan Teal.

Freshling at the tea tables were Mrs. Cameron Squire, Miss Genevieve Brooks, Miss Genevieve Thompson and Miss Isabella Gault. Mrs. Teal and Mrs. Edward M. Linn were present. Assisting about the rooms were Mrs. Kenneth Reed, Mrs. William Ashley, Mrs. John White, Mrs. William Gorrell, Mrs. Nancy Zorn Scott, Mrs. Curtis Bailey, Mrs. Mary Scarborough, and the Misses Elizabeth Bacon, Jean Skene, Elizabeth Peacock and Kathryn Hoyt.

Mrs. William D. Wheelwright entertained yesterday with three tables of bridge in honor of Miss Alice Cole of Boston, the guest of Mrs. William C. Alvord, and David Munro. Mrs. Munro is visiting her daughter, Mrs. Thomas Talbot, and her son, Donald Munro.

Mrs. Fletcher Linn and her sister, Mrs. R. B. von Klein Smid of Tucson, Ariz., have returned from a delightful outing at Ocean Park, Wash. Miss Elizabeth von Klein Smid returned Sunday night from her "cousin" where she has been for six weeks, under the direction of Miss Dorothy Elliott of Reed college.

Announcement is made of the engagement of Miss Sigrd Elisabeth Olsen of Portland, Ore., to Pierre M. Baldwin of Portland.

A midnight dancing party will be held on the Bluebird tonight by the Motion Picture League of Oregon. Owing to the late closing hours of Portland motion picture houses, the Bluebird will not leave the Morrison street dock until 11:45 P. M. The committee in charge of arrangements has obtained a symphony orchestra, which will furnish dancing music and playing during the elaborate supper party which has been planned. Arrangements have been made for 500 guests. This is the first social gathering of the league, which was organized last winter, with C. E. Jensen president, Paul Noble, secretary, and G. E. Jackson, treasurer. Only members of the club and their friends have been invited. C. W. Koerner, J. J. Parker and Bob White form the committee in charge.

Mrs. Alice Benson Beach and Pat Herbert Allen were married yesterday at the Unitarian church, Rev. W. G. Elliot officiating. There were no attendants and only the immediate family of the bride attended the ceremony. Mrs. Beach's father, S. Benson, gave her in marriage. The bride wore a smart tulle of brown tulle with chic in her hair and harmonizing tones. Her bouquet was of orchids.

Mr. and Mrs. Allen, who motored up from the beach on Sunday, accompanied by the latter's sister, Mrs. Caroline Benson Underer, left last night on a brief motor trip, going on later to Seattle to pass the balance of the season there.

The engagement of Mr. and Mrs. Allen was announced about two weeks ago, and it came as a surprise to Portland society. Mrs. Allen is one of the prominent young matrons of Portland, and her activities as well as philanthropic and benevolent work are well known over the entire state. She was an assistant in the National League for Woman's Service, in which she served during the war as chairman.

Mrs. Allen has made his home in this city for about two years. He has been a member of the University club, and has been active in various capacities. He was a captain in the first Canadian contingent to go overseas, seeing active service. He has several wounds and was invalided back to Canada some three years ago.

He is an Oxford man, and prior to entering Oxford was a student of the exclusive Blue Coat school in London, which numbers among its

What Is the Condition of Your Blood Supply?
Highly Important to Keep It Free From Impurities.

Did you know that 90 per cent of all human ailments depend upon the condition of your blood?

Nature gives her warnings in various unmistakable ways, so that when the appetite falls and you become weak and listless and a general run-down condition seems to take possession of the whole body, it is an unfailing sign that impurities will steadily accumulate until your general health will be seriously affected. therefore of very promptly cleansing out the system and keeping the blood supply pure and robust.

SEVERAL BENEFITED IN MRS. HOLMES' FAMILY

"I Can't Praise Tanlac Enough for All It Has Done for Us," Declares Seattle Woman.

"I feel like I would be doing anybody who is suffering like I was a good turn by getting them to take Tanlac, for it has certainly put an end to my troubles," declared Mrs. Ed Holmes of 7037 Ninth Avenue Northwest, Seattle, Wash.

"For years my stomach has troubled me, and I've been in a general run-down condition. I suffered from loss of appetite and had indigestion so bad I couldn't eat meat at all, and everything else seemed to ferment and sour in my stomach. I had dreadful pains in my stomach, and gas would blow me up so at times I could hardly breathe. I had such awful headaches that they would nauseate me and make me sick, and I became so dizzy that I would almost fall over. Rheumatism seemed to be all through my body, and my arms and legs ached continually so that I could hardly get around. At night I could scarcely sleep on account of the pain and restlessness, and I was in such a run-down condition that it was an awful task for me to do the least little thing.

"Well, you just don't know how glad I am that I decided to give Tanlac a trial, for it has certainly put me in fine condition. My appetite is so good I enjoy everything I eat, and my stomach is in such splendid order I eat meat and everything else I want without it causing me a particle of trouble. I'm no longer bothered with headaches, nausea, or dizziness, and I'm so free from rheumatism that there's nothing left but the memory of it. My sleep is sound and refreshing, and I've gained a number of pounds in weight. Tanlac has greatly benefited my daughter and other members of our family, and I just can't praise it enough for all it's done for me.

Tanlac is sold in Portland by the Owl Drug Company.

GAVE HER STRENGTH
Mrs. Miller Says That is What Lydia E. Pinkham's Vegetable Compound Did For Her—Read Her Letter—

Minneapolis, Minn.—"I was run down and nervous, could not rest at night and was more tired in the morning than when I went to bed. I have two children, the youngest three months old, and it was a drudgery to care for them as I felt so irritable and generally worn out. From lack of rest and care for my baby did not get enough nourishment from my milk so I started to give him two bottle feedings a day. After taking three bottles of Lydia E. Pinkham's Vegetable Compound I felt like a new woman, full of life and energy. It is a pleasure to care for my children and I am very happy with them and feel fine. I nurse my baby exclusively again and can't say too much for your medicine."—Mrs. A. L. Miller, 2633 E. 24th St., Minneapolis, Minn.

Since we guarantee that all testimonials which we publish are genuine, it is not fair to suppose that if Lydia E. Pinkham's Vegetable Compound has the virtue to help this woman it will help any other woman who is suffering in a like manner.
