Roosevelt Tammany's Choice.

Mr. Roosevelt, as assistant secretary of the navy, it is admitted, had done nothing to commend himself to the consideration of his party for this distinguished honor. Those fa miliar with the workings of the San

Francisco convention, realize that Mr. Roosevelt was as much the choice of Tammany as was Governor Cox. The selection was made for a dif-

ferent reason, but for the same ob jective. It is generally recognized that this is a big year in New York There is a governor to be elected, which means control of the state machine, a United States senator to be chosen and several other important posts to be filled. Boss Murphy is not the kind of a man who would duplicate the fable of the dog who dropped the bone he held in his mouth to leap after the reflection he saw in

the water. Those who know the character of Charles F. Murphy say he is not averse to making a gamble to obtain the presidency, but is too canny to sacrifice chances of gaining the things close at hand in the effort to

gather in everything within a na-Name Used for Alibi.
