Workers' Pledge to Abide by Decision Held Binding.

Implied Threat of Non-Production Would Result in Finding of Substitute Fuel.

WASHINGTON, Aug. 30 .- President Wilson today approved the majority report of the anthracite coal commission, awarding anthracite miners wage increases aggregating \$85,000,000 and notified the miners that he expected them "to accept the award and carry it into effect in good faith."

Replying to threats from the miners

to a resolution adopted by the min-ers in convention agreeing to accept the findings of such committee as he appointed.

appointed.

"By all the laws of honer upon which civilization rests," the president in his telegram to the miners added, "that pledge should be fulfilled. Any intimation that the anthracite mine workers will refuse to

Obedience Is Promised. conclusion, Mr. President, we wish to eay, as we did in the begin-ning, that the majority report shall have a full practical acceptance of the officers of the United Mine Work-

ers of America, and we shall devote ourselves to its application, as we obourselves to its application, as we obligated ourselves to do when we submitted our cause to this commission."
"That was the manly and honest
thing for Mr. Ferry to do. He courageously set forth his views in the
minority report and then, just as
courageously, declared he will abide
by the decision of the majority, as
the miners had obligated themselves
to do. It should be understood that \$85,000,000 IS INCREASE to do. It should be understood that there was no agreement between the operators and miners to have me decide the question at issue. With the many other important duties devolv-ing upon me I could not have devoted the necessary time to hear and digest all of the evidence presented. I therefore proposed the creation of a commission whose findings would be binding upon both parties. The representatives of the miners on the scale committee declined to accept the suggestion until it had been submitted to accept the suggestion until it had been submitted to a convention of the United mitted to a convention of the United Mine Workers of districts 1, 7 and 3. In that convention, by a vote of the nen direct from the mines, a resolution was adopted accepting the proposition and solemnly obligating the mine workers to abide by the award.

Collective Bargaining in Danger. "Collective bargaining would soon New Jersey Federation of Liquor In-cease to exist in industrial affairs if terests, calling for help by the orthat they would stop work September I unless the minority report of the commission, recommending a higher award than provided in the majority, was accepted, the president stated definitely that the majority award would not be set aside.

contracts solemnly entered into can be set aside by either party whenever it will deem to do so. I am sure that the miners themselves would vigorously protest against the injunction of Cox a "big victory for our interests," says Cox is a "pronounced wet" and would approve amendment of the Volstead act, and says "we must have

Money Urgently Needed. "We have issued the challenge. The anti-saloon league is forced to fight. It has made an appeal for a \$30,000 elect dry candidates to the state senate and assembly to force ratification of the 18th amendment in New Jersey. There is no question about the anti-saloon leaguers' ability to raise the amount asked. How much can we raise? We must have money at once to carry on the work that we have planned. Do not think for a moment that there is plenty of time to give between now and election.

The fall will be too late. Money must be had immediately if we are to maintain our headquarters and continue the propaganda that is necessary in the drive to win public opinion. This is the second appeal that I have sent you. The first you evidently overlooked. I would not be performed that I have sent you. The first you evidently overlooked. I would not be company was a party to a "giant merger of paper and pulp interests in Canada."

"Mr. Dodge said further:

"The international Paper company is not proposing to part with its mills to the cause to the finish. Make this your last contribution if you will, but give sive something."
