FOR BERTHA CRASH

Interstate Commerce Body Finds Orders Ignored.

BLOCK SYSTEM ADVOCATED

Traffic Over Southern Pacific Elec tric Lines so Heavy Danger

electric line near Bertha, Or., is placed boulevard and west on Willamette by the interstate commerce commission on Conductor Pharis and Engineman Willett of train No. 124, they provided.

Instead of observing these orders school on it they ran past the established meeting point and collided with the train having right of way, with the result

This finding is announced by the commission in a report today signed by W. P. Borland, chief of the bureau of safety. Aside from placing respon-sibility on Pharis and Willett, Mr.

Conductor Knew of Meeting.

The Borland report reviews the fight will be carried to every corner of the state organization. From now on until the primaries the fight will be carried to every corner of the state, and the record of Senator Jones placed before the voters, Mr. Arkley said.

The Bol club will also center its was running on the fatal trip, and that as his train approached Bertha he gave the signal to the engineman that he was approaching a meeting that Colonel Inglis did not

the engineman, and the train stopped, the members are going down the line some passengers were received and for the former, Mr. Arkley continued, the air brakes tested, after which The Bolo club organizations com-Conductor Pharis gave the signal to prise former service men, including proceed. Continuing, the report says: those who served in the recent war, "This accident was caused by the and also former wars in which the failure of Conductor Pharis and Engineman Willett of train No. 124 to obey train order No. 204, which estab-

Engineman Knew Orders. "The evidence indicates that Con-ductor Pharis had talked with En-gineman Willett about the order and that the engineman fully understood its contents; that engineman tenders "In view of the facts, and also in went through the burning hotel arousview of the fact that the controller of car 503 (Willett's car) was equipped with a device known as "dead man's control," which cuts off the current control," which cuts off the current control, and they went through the burning hotel arousling guests.

The Ikao soon became a mass of hits today and Tacoma won, 4 to fi Haugland was touched up for ten flames from which the inhabitants afeties, three of which were obtained by Gomes. Bourg stole four and applies the brakes in case the rushed madly. engineman becomes physically incapacitated and his hand is removed from the controller, any attempt to assign a definite reason for the failure of Engineman Willett to comply with train order No. 204 and bring his train to a stop before passing the east passing track switch at which east passing track switch, at which point train No. 107 was to have taken the siding for his agin, resolves itself into a matter of mere conjecture.
"That conductor Pharis was not paying proper attention to the operation of his train was evident from the fact that his train was near the east passing track switch, running at

a speed estimated by him to have been about 35 miles an hour, before he realize that the requirements of the meet order were not being observed, while the accident occurred before he had taken any effective steps toward bringing his train to a stop.

Conductor's Action Puzzling.

CANTON, Aug. 30.—The Cantonese troops under Ching Kiang Min that recently defeated the Kwangsi invaders at Fugien have occupied Swatow in Kwangtung. The commanding general of the Cantonese forces issued a reassuring announcement to the Chinese population and to the consular body from airplanes

than one-half mile for the purpose of meeting train No. 107, it is inconceivable how Conductor Pharis could have returned to the inside of his train and have become so engressed with other patters as not to know that the meet order was being disregarded.

"Engineman Willett was employed as a fireman in April, 1898, and promoted to engineman in 1992. He had been disciplined on two occasions for Improper handling of train orders.
Engineman Willett's investigation been disciplined on two occasions for failed to disclose anything to indi-cate that he had not made proper use of his period off duty. Conductor

system. Two other head-on collisions of the Southern The police hoped through Miss Pacific system in this locality have been investigated, one in 1915 and the man were shot and which is

"Over those tracks there is a large weapon, volume of traffic, including a considerable number of suburban trains. Pollowing the Riverdale accident of 1915 the block system was installed on the line from Jefferson street depot at Portland to Oswego, and at the time of the accident near Oswego, in 1918 an appropriation had been made for extending the block system west of that point.

"The traffic on these lines is of such character, including trains making frequent stops and attaining comparatively high speed between stations, that proper protection can be furnished only by block signals and a code of block rules adequate to meet the traffic requirements. In this vicinity in electric train service the volume fluctuates from day to day, particularly at week ends and in viver and bands playing as the special such correction of the Ancient Arabic Order Nobles of the Mystic Arabic Order Nobles of the Mystic Arabic Order Nobles of the Arabic Order Nobles of the day particularly at week ends and in river and bands playing as the spe-holiday seasons, and it was brought cial trains arrived. frequently necessary to extend sched-

Orders Subject to Misunderstanding. "Under these circumstances the ment of traffic are particularly sus-

"Apparently the Southern Pacific company has recognized this necessity by the installation of the block system on a portion of these lines. On the line where this accident occurred between Portland and Reedville shere are 20 first-class trains operated daily in both directions, in addition to six other first-class trains which are operated over a portion of this territory.

"With the exception of one train, ball each."

Marovetich was found transporting liquor in an automobile, which was found transporting. In an automobile, which was found transporting liquor in an automobile, which was confiscated and will be sold at auction.
