FOR SALE-AUTOMOBILES. COVET MOTOR CAR COMPANY PLANT.

Never has there been a time when a good rebuilt, refinished used car could be purchased at so low a proportion of the new price.

Not only because the fall of the year is always the best time to buy a used car, but this particular fall finds most new cars covered by a recent advance, wherein used cars, owing to the smaller demand, have had no opportunity to follow such a rise. With the ateadly advancing cost of labor there is no sign of a reduction in the cost of new cars.

Buy your used car now. Buy a rebuilt car only. You will find them here. DODGE BROTHERS' MOTOR CARS.
