 Autoracy is Attacked.

 The aking down under the great strain point upon it for war service. The greatest in part as follows:
 Autoracy is Attacked.

 "With such a feeling manifest forces in out the cause of the the country, the rain in the country, the rain of the sizent forces in out the cause of all the people of America.
 There is no sectionalism in the third of the country, the rain in the cause of all the people of America.

 "With such a feeling manifest forces in ownership of railways. War seemed ploation of their theories of government and I suppect the taking over for the table or one-man source of pretended to the cause of a community of interests, and not a paternal or autocracy, or one-man source of pretended the theory is of one watcheword. That question raises every interpret tailon of out watchword, 'American's the failing. The trained of the trained of the war.

 "This suggestion was later on contry.
 That question raises every interpret tailon of out watchword, 'American's the ward was have the poly the mand-the the war.

 "This suggestion was later on contry.
 That question raises every interpret tailon of out watchword, 'American's the ward.

 "The ware service for the conduct of the war."
 The present of the manifest is the chard of the table of the table.

 "The the thought of modifying our gover is the the war."
 The present of the manifest is the the the manifest of the war.

 "The the the the the table of the table of the table of the table of the table.
 The the table the ta

This suggestion was later on con-firmed by the insistence of the ad-ministration that it be given author-ity to take over the telephone and telegraph lines. When congress pro-posed a grant of suthority to take over these lines it was expressly stipulated that no such seizure would be made unless the exigencies of war-turgently required it but after the suthority was given without a new crisener hevire arisen and without a alloge new condition of peril, the

Although Mr. Mackay is piqued at the alleged refusal of the city purchas-ing agent to give the Oregon pro-duct a trial, the principal complaint is against the allowance of the east-ern manufacturer to store large quantities of the soap in the city's warehouse without charge.

FORESTRY PLAN FAVORED Hays Says Plans for Nomince Are State Board Will Adopt Protection

Programme Is Report.

NEW YORK, Sept. 13 .- There will be no "barnstorming" in connection with projected speaking trips of Sen-ator Harding, Will H. Hays, national SALEM, Or., Sept. 13 .--- (Special.) ---That the Oregon state board of foreschairman, said here today in com-menting on a report from Marion that the republican presidential candidate W. B. Greeley, national forester, was

In passed twice during the night and their condition is causing especial anxiety.
In ade possible on capital employed.
Sean Hennessy, the 13-year-old youth, remains in a comatose state and in his semi-consolous moments be railway ownership or those socialistic is a context for called any ownership or those socialistic pressed doubt that Senator Harding would go farther west than Omnha.
If was learned today that both the government physicians, Doctors Pearson and Battiscombe, had received death threats.
MILITARY SEARCH FOR ARMS
Troops With Fixed Bayonets Block Streets as Hunt Goes On.

"There has been much outery against the act (Cummins-Esch) as being hostile to labor and unjust to unionism and subservient to capital. On the contrary, it is the very onco-He said he was not at liberty to announce what citles would be vis-ited, adding that this information must come from Marion or Chicago. With the exception of New York, the rule will be "come work" On the contrary, it is the very oppo-site of these things. It does not in-terfere with collective bargaining; on the rule will be "one speech in state," Mr. Hays declared

indicated in the increased enrollment in the city schools on the first day over the attendance on the first day

Not Changed to Include Trip.

the contrary, it facilitates collective bargaining. Moreover, it recognizes that railway workmen ought to be employed under the most fortunate
