PLANS FOR GARBAGE

OREGON COMPANY BIDS

Los Angeles Concern Proposes Ask \$1 a Month for Collection of Refuse.

fisposal plants and to operate them, or to allow the city to operate them upon completion were made to City upon completion were made to City to Chi Omega at Corvalis is headed Chi Omega at Corvalis is headed Chi Omega at Corvalis of Chi Omega at Chi Omeg

Deputy City Attorney Latourette will meet with Commissioner Bigelow. Following this conference a report will be made to the city council.

The Pacific Conservation company of San Francisco and Los Angeles made two proposals. In the first bid the company offers to erect and sell a reduction plant equipped with a Cobwell system for the city on a guarantee that the plant would not cost to exceed \$450,000.

In the second proposal made by the same company, which is but a tentative plan, an offer is made to erect and sell of the control of the city of the company which is but a tentative plan, an offer is made to erect and sell of the company of the city of the ci

In the second proposal made by the same company, which is but a tentative plan, an offer is made to creek and operate the plant as well as take over the collection of garbage in Portland, providing the city will grant the company a franchise for the exclusive collection of garbage, and pass an ordinance requiring the segregation of garbage.

The company offers to make two two time to the second proposal made by the same and proposal made by the search and pass an ordinance requiring the segregation of garbage.

The company offers to make two the second proposal made by the same accompany of a prominent family of southern California.

the excitative and pass an ordinance requiring the segregation of garbage.

The company offers to make two collections of garbage weekly, with a monthly charge of \$1, and will pay the city \$20,000 a year for the privilege. This amount, together with a saving estimated by Commissioner Bigelow at not less than \$30,000, now spent in the operation of the municipal indinerator, would not the city approximately \$40,000 yearly on the proposition.

Paio Alto, where a number attending finishing school.

Miss Lee Tevis will leave on Friday for Miss Harker's school in California, Miss Harker's school in California, Miss Harker's school in California, Miss Harker's school in Eoston.

The event of social interest for this evening will be the marriage of Miss Margaret Kent of Lansdowne, Pa., is visiting Mrs. H. A. Russell (Helen Wortman) and is being entertained on motor trips and outlings. Mrs. H. C. Wortman is still traveling and expects to be away for many months. She has been to Manila and will go to Burmah.

Mrs. W. B. Streeter and Miss Florence Holmes, who went abroad two months ago, write interestingly of their visits to Interlaken, Lake Gen-

proposition.

The Washington-Oregon Nu-Fuel company offers to install plants for the disposal of all garbage and combustible material, paying the city 50 cents a ton for all such material delivered to the plant. This offer is made with the provision that the city establish a municipal garbage collection system.

Another offer was made by the Pa-

The same companay also offers to three furnaces for \$60,000.

The bid for the sale of new furnaces, with the exception of the last named offer, includes the erection of new buildings in connection with the

Hop Crop Reported Light.

WILLAMINA, Or., Sept. 14 .- (Special.) — The hoperop is somewhat lighter than was expected in this locality, though the grade of hops is excellent and the absence of aphis conspicuous. No damage is expected from the recent rains. Most yards are running under a contract price averaging 30 cents a pound. The lowest wage paid is 70 cents a hun-

Careless Shampooing Spoils the Hair

Soap should be used very carefully, if you want to keep your hair looking its best. Most soaps and prepared shampoos contain too much alkali This dries the scalp, makes the hair brittle, and ruins it.

The best thing for steady use

Mulsified cocoanut oil shampoo better than anything else you can

One or two teaspoonsful of Mulsi-fied will cleanse the hair and scalp thoroughly. Simply moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which rinses out easily, removing every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves the scalp soft, and the hair fine and silky, height, lustrous, fluffy and easy to One or two teaspoonsful of Mulsibright, lustrous, fluffy and easy to

You can get Mulsified cocoanut oil shampoo at any pharmacy, it's very cheap, and a few ounces will supply every member of the family for months. Be sure your druggist gives you Mulsified.—Adv.

With ever so many of the attractive girls going away to college and finishing school it is but natural that social interest should be centered in them as well as in the lovely young brides-elect who are being one of its successful farmers. ng so charmingly feted.

ing so charmingly feted.

The sororities are busy with rush parties and the pretty maids are getting their wardrooes ready for school. The Delta Zetas will soon have a chapter at Oregon, as their charter has been granted and Mrs. Gertrude E. McEifresh, a faculty woman at Gregon Agricultural college, has been named national Pan-Hellenic delegate and will go to Eugene in October to install the Delta Psi local into a real active chapter. Miss Alys Sutton, a Louisiana girl, is head of the Eugene group and is national parliamentarian for the Delta Zetas. A charter for an alumnae chapter also charter for an alumnae chapter also has been granted. Mrs. McElfresh will leave within a few days for Cor-vallis, where there is an active chap-
