AT THE COVEY MOTOR CAR COMPANY PLANT. All things being equal, it is our opin-fon that a used car of reputable make in good condition should sell on our floor in a certain time. It seems, however, that owing to the former gasoline short-age and other more or less unsettled conditions, the demand for cars was greatly curtailed.

This being the case, we wish to dispose of at once a certain number of excellent cars at very special prices; prices far below their actual value. You will find these cars distributed through the following list:
