Judge and Walter Hold Court Trying Out Recruits for Next Year's Team.

YESTERDAY'S RESULTS. At Los Angeles 4, San Francisco 5. At San Francisco 3, Salt Lake at Portland; no game, rain. Sacramento at Seattle; no game, rain.

BY ROSCOE FAWCETT. Owing to a drizzle that set in 10 minutes before the starting hour of the first game of the series between the Portland and Salt Lake ball clubs was not played yesterday afternoon.

The game would have been played had the rain held off another hour. Judge McCredie announced immediately that the postponed game would be tacked onto the regularly scheduled game next Saturday, giving the fans double-headers for both Saturday and Sunday afternoon. The first game in each instance will begin at 1 o'clock.

Athletes Play Indoor Game. In lieu of collecting spectators off the playing benches most of the ball athletes spent their brief holiday in hotel rooms, grabbing at ye olde pot like a flock of minnows snapping at wet bread.

Walter McCredie lives out on a farm, so had no place to go except to the regularly scheduled game in the Gasco building, and there he and the judge held court on a couple of youngsters recommended to them by Bobby Vaughn.

One of these youngsters, a first baseman and outfielder named Arthur Bourg, has been purchased on option from the Tacoma club of the Pacific International league. Bourg hit .231 in the Class B league last year and is said to be a regular hitter.

Bourg is a Portland boy and got his first ball training here in the city and shipyard leagues.

Bourg Touted Highly. Bertie Casey had Bourg on one of his shipyard leagues during the war. Last year Bourg played first base for a club up in Idaho managed by Al Bartholmey. He is said to be a better outfielder than first sacker and that is where Mack probably will try him.

McCredie is determined to get a heavy of heavy artillery for his outfield and infield in 1921. "Biff" Schaller has informed Mack that he intends to retire at the conclusion of this season and if Biff sticks to his notion it will mean that Portland will have to develop two gardeners to perform alongside George Malsell and Dick Cox.

Heavy Hitters Signed. Three young players already have been signed—Wilson of Vancouver, Burnside of Yakima and Bourg of Tacoma. Burnside already has hit .338 in the Class B league last year and is said to be a regular hitter.

Although the Salt Lake Bees are getting their bumps divided from the rest of the Coast league ball clubs, and from "Prexy" McCarthy, Manager Ernie Johnson is entitled to a great deal of credit for the showing he has made this season.

Were it not for the gambling mess which resulted in the suspension of the two Salt Lake sluggers, Magrath and Rumber, the Bees stood a mighty good chance to win the pennant.

Rumber has brought suit against President McCarthy and the Pacific Coast league for \$50,000. He claims that his \$250 bet with Horton was merely a cover-up bet which he could well afford to lose if the Bees won the pennant and the big prize money and which Horton could well afford to lose if the Tigers copped the burgee.

Reserve Dope Rumored. On the other hand it is whispered in the inner circles that McCarthy still has a lot of "dope" on the gambling scandal that he is saving for a final housecleaning. McCarthy has summoned the league directors to meet in San Francisco in November and the sparks probably will fly furiously at that session.

President Lane of the Salt Lake club is said to be very wrothy at McCarthy for suspending Rumber. He professes to believe Rumber's story against McCarthy's interpretation and the interpretation of most of the wise baseball men of the coast is that he should be cleared up as soon as possible and those who are left outside the baseball igloo.

"Suds" Rutherford likely will twirl for the Portland club at 3 o'clock this afternoon against Salt Lake if the sun ceases its frozen-fried-egg imitation act.

ANGELS POOR AT BASE WORK. Seals Pull Off First Triple of Season at Los Angeles.

LOS ANGELES, Sept. 21.—Poor base-running by Los Angeles gave San Francisco the game, 5 to 4. The Seals took a flying start in the first by converting five hits off Aldridge into three runs.

Fans saw the first triple play of the season here when Seals hit liner to Hasbrook, with Hughes on second and Killefer on first. Hasbrook touched first to Caveny, catching Hughes off second. Schick made a homer. Score: San Francisco 5, Los Angeles 4.

GAMBLING PROBE BEGINS

THOROUGH INVESTIGATION IS PROMISED IN MAJORS.

CHICAGO GRAND JURY CALLS LONG LIST OF WITNESSES FOR EXAMINATION TODAY.

CHICAGO, Sept. 21.—Grand jury investigation of alleged gambling in major-league baseball will start tomorrow with several subpoenaed witnesses excused from testifying until next week.

President J. A. Heydler of the National league today telegraphed that he was in the midst of a private investigation which would keep him busy until next week. He promised to appear later.

William Gleason, manager of the local American league team, and Oscar Kelleher, a Chicago sports writer, also were excused. Both promised to appear later.

President Heydler said he would make every attempt to have Jacob "Kube" Benton appear before the jury, but pointed out that Benton's team, the New York Nationals, was in the midst of a pennant fight and that Benton was needed.

The jury plans to investigate last year's world series first, then the Philadelphia-Chicago National league game of August 31 and finally baseball pools and alleged gambling in general.

10,000 BLACK BASS GET HOME. Lake Near Bend to Receive Initial Game Shipment.

BEND, Or., Sept. 21.—(Special)—Ten thousand "big mouth" bass, the first ever brought to central Oregon, arrived here today and later in the week will be planted in Mud Lake, 24 miles from Bend, declared by experts to be ideal for the gamey eastern fish. Care will be taken not to place the bass in any waters where they will be brought into contact with trout, as they would rapidly exterminate the latter species.

Approximately 2,000,000 trout fry of this year's hatching still remain at the Tumalo fish hatchery and must be planted before snow blocks the way to the mountain lakes.
