

WELFARE OFFICERS RESIGN POSITIONS

State Commission Is Inactive, Governor Is Told.

DEADLOCK IS RESENTED

Members Declare There Has Never Been Divided Vote in Body Until Recently.

OLYMPIA, Wash., Sept. 27.—(Special.)—Declaring that the state industrial welfare commission as now constituted is inactive, Mrs. W. H. Udall, of Tacoma, for five years a member of the commission and for the last two years secretary, tendered her resignation at a meeting of the commission here today. Following adjournment of the meeting, Dr. M. H. Marvin, for seven years a member of the commission and the oldest member in point of service, dictated his resignation to Governor Hart, effective immediately.

Children under 12 years were admitted to the fairgrounds today free, and it was estimated that more than 6000 of these youngsters took advantage of the opportunity to view the exhibits.

Members of the fair board tonight expressed themselves as highly pleased with the first days attendance, and the rapid manner in which the exhibitors had arranged their displays. Practically all of these exhibits were in place tonight, and by tomorrow morning all will be in readiness for the greatest state fair ever held in Oregon.

Although thousands of people have arrived here during the past few days, no difficulty has been encountered in providing accommodations. Private homes have been thrown open to visitors and the commercial club still has available several hundred rooms for the accommodation of late arrivals.

Counties having exhibits in place include Douglas, Coos, Tillamook, Linn, Wasco, Malheur, Morrow, Washington, Clackamas, Jackson, Benton, Marion, Union, Lane and Clatsop.

Portland people who were here tonight to attend the symphony orchestra concert were Mrs. Helen Ladd Corbett, A. S. Kerns, Dr. and Mrs. A. P. Watson, Mr. and Mrs. Loring K. Adams, Mr. and Mrs. John Logan, Mr. and Mrs. W. A. T. Bushong, Mr. and Mrs. Carl Denton, J. Hutchinson, Mr. and Mrs. John Pines and Mr. and Mrs. Donald Spencer.

Commission Is Deadlocked

The commission as constituted at present consists of only four members, Governor Hart having failed to appoint a successor to Mrs. George P. Hardgrove, of Spokane, who resigned May 24, 1920. Since that time the commission has been deadlocked on the question of increasing the minimum wage for women employed in factories, Dr. M. H. Marvin of Seattle and Mrs. W. J. Kennedy of Tacoma voting to adopt the recommendation made by the industrial welfare conference, while Mrs. Udall and Dr. Younger, labor commissioner and chairman of the board, and Mrs. N. J. Redpath of Olympia, appointed by Governor Hart to replace Mrs. W. S. Griswold of Seattle on the commission, voting against increasing the minimum.

As a result of the deadlock, hearings scheduled on wages paid other branches of industry were canceled. When Mrs. Udall's resignation was presented today, Younger and Mrs. Redpath voted that it be not accepted. Dr. Marvin and Mrs. Kennedy did not vote. Following the meeting Dr. Marvin explained that he did not want to be understood as favoring the acceptance of the resignation, but that both he and Mrs. Kennedy endorsed Mrs. Udall's position that the commission as now constituted was inactive and if they voted not to accept the resignation the action might be construed as taking issue with her position in the matter.

Dr. Marvin Resigns

Dr. Marvin then dictated his resignation to Governor Hart. It follows: "I hereby tender you my resignation as a member of the Industrial Welfare Commission of the State of Washington to take effect immediately." After signing the resignation, Dr. Marvin said: "I have been a member of this commission for seven years and have worked hard to accomplish some of the things for which it was created by the legislature, but I won't come here just to mark time. When a thing ceases to function, that's the end."

PENDLETON JURORS SEATED IN 5 HOURS

Eight Farmers in Box to Try Sheriff's Slayers.

29 NAMES ARE CALLED

Defense Quizzes Men on Subscriptions to Memorial Fund, Reasonable Doubt and Friendship.

PENDLETON, Or., Sept. 27.—(Special.)—Records for the selection of a jury for a murder trial were broken today, when 15 Umatilla county men were seated in the box, following three and a half hours' questioning by R. I. Keator, district attorney for the state, and Joseph J. Lavin of Spokane, for the defense, to sit at the trial of Irving Leroy Stoop and Elmer L. Henderson, jointly indicted with Emmett Hancock, already sentenced to hang, and Elvie D. Kerby and John Laffeban, whose trial will follow immediately for the murder of Sheriff T. H. Taylor.

Drawing of the jury was delayed by request of Attorney General Brown, who asked time to review the state case, but the jury was selected and it was 11 A. M. before the first 12 men were sworn in for the qualification examination as jurors. At 4 P. M. the jury was accepted by the defense and the prosecution and opening of the case by the state with a complete statement was set for tomorrow morning at 9 o'clock.

Twenty-nine names were called out of the venire of 21. Five men were excused on account of their friendship for the murdered man or because they did not believe in capital punishment. The state exercised one peremptory challenge and the defense 19 of their 12 allowed by court.

Names of the jurors selected are: C. W. Howell, Pendleton, farmer; E. E. Ryan, Malheur, farmer; Frank W. Wagoner, Hermiston, farmer; Thomas Elliott, Milton, merchant; J. C. Crimmins, Freewater, laboring man; Wiley Mansure, Milton, butcher; John J. Merrifield, Milton, farmer; C. H. Robinson, Weston, farmer; W. H. Booher, Weston, farmer; E. F. Trombley, Pendleton, farmer; Fred Rhode, Pendleton, farmer; Ross E. Carney, Pendleton, meat packer.

Defense Quizzes Jurors

The defense asked each juror the same questions, which covered all possible contingencies in the case. Attorney Lavin asked the men in the jury box to state if they were prejudiced by friendship for the murdered sheriff, if they had subscribed to the T. H. Taylor memorial fund, if they were members of any posse which meted with the Round-up, of which the late sheriff was president; and if they would be willing to be tried for the same offense by a jury of 12.

Questions on Court Procedure

Questions on court procedure were also asked of the men qualifying to see if they would be prejudiced by information which they have already had on the case and which might not be submitted as evidence. Biggest stress in the selection of jurors by the defense was placed on the question of "reasonable doubt" and the fact that innocence is presumed until proof of guilt has been made.

Attorney Keator for the prosecution continued his cross-questioning to whether or not the jurymen believed in capital punishment and if they could make a decision solely on the evidence and not be swayed by sympathy or passion.

Immediately Following the Swearing

Immediately following the swearing in of the jury and their dismissal until morning, John Laffeban and Elvie D. Kerby, father and son, two defendants charged jointly with the murder of T. H. Taylor, were brought before the court and a denial of the motion for a change of venue was read by Judge G. W. Phelps.

Date of Completion of Trial

Date of the completion of the trial of Stoop and Henderson, Attorney Tohen of Toppish, Wash., appeared for Kerby and asked the court to take notice of any objection in case the trial was carried to the supreme court.

Why do people daily test the capacity of both "Imperial" restaurants?

Because most people usually prefer the best place—and especially when the best place offers the most for the money.

WILLIAMS TO ATTEND FAIR

Boys and Girls to Leave Thursday for Salem.

HOOD RIVER, Or., Sept. 27.—(Special.)—L. B. Gibson, county school superintendent, will leave Thursday for Salem with the following Hood River valley boys and girls, who won trips to the state fair at the annual industrial school fair recently held here:

Bianche Tucker of Odell, Mabel Marriot of Barrett, Frank Pierson and Richard Fenwick, both of Oak Grove, and Bertha Buford, Hazel Olsen and Hazel Meyer, all of Cascade Locks. The Cascade Locks students will give a canning demonstration at the state fair.

Free Trip to Fair Won

UMATILLA, Or., Sept. 27.—Leslie Thompson of the Umatilla Dairy Herd Record club won a free trip to the state fair, due to excellent work as a member of the club. This club was the first 100 per cent club in the state.

Sheridan Girl, 15, Is Married.

YANCOUVER, Wash., Sept. 27.—(Special.)—Shirley Leroy Kirkland, 22 years old, of 1425 Boston avenue, Portland, and Miss Anna Lucille Coe, 15 years old, of Sheridan, Or., were married here today by Cedric Miller, Justice of the Peace. Mrs. Lucille Coe adopted Wilma when she was a child. Her father's name was Edward Goldsmith.

AIDS TO DIGESTION

Whatever improves bodily conditions in general aids digestion. Cheerfulness, exercise, fresh air, baths and good habits make your digestion better. Able to take care of any burdens you impose upon it. But the greatest aid to good digestion is good blood. Anemia, or thin blood, is a common cause of indigestion. Normal action of the stomach is impossible with unhealthy, well-oiled blood.

Dyspepsia which does not yield to ordinary treatment may be quickly corrected when the blood is enriched. Many people have secured relief from chronic forms of indigestion by the use of Dr. Williams' Pink Pills which make the blood rich and red, capable of carrying an increased amount of oxygen, the great supporter of human life.

Have you ever seriously considered giving Dr. Williams' Pink Pills a trial to tone up your digestion, increase your vitality and make life better worth living? If your blood is thin and your digestion weak you certainly need them. Send for the booklet, "What to Eat and How to Eat." It is free and will help you decide.

Dr. Williams' Pink Pills are sold by all druggists or direct from the Dr. Williams' Medicine Co., Schenectady, N. Y., on receipt of price, 60 cents per box.—Adv.

THE PENALTY

It is a torturing pain; Eczema, Tetter, Erysipelas and other disfiguring skin diseases; general debility, which makes the strongest men helpless, and many other diseases are the direct result of impure blood.

You can in a large measure avoid liability to disease by the use of S. S. S., the wonderful blood remedy that has been in constant use for more than fifty years. S. S. S. cleanses the blood thoroughly. It is sold by druggists everywhere.

THE LATEST Thor Electric Washing Machine

It will appeal to you because of its beautiful, clean-cut appearance. A glance at its graceful lines instantly marks it as the last word in home comfort, and so it is.

But it is more than a thing of beauty, it is the most substantial, practical and efficient Electric Washing Machine built.

It embodies every worth-while feature for convenience and reliability. It washes by the revolving cylinder principle that has proven so successful in Thor Washers for 14 years. The body is entirely of metal, extremely strong and durable. Another very important feature is the capacity of this washer, although comparatively small in size it is 10-sheet capacity.

Every Drop of Your Blood Should Be Absolutely Pure

You cannot over-estimate the importance of keeping the blood free of impurities. When you realize that the heart is constantly pumping this vital fluid to all parts of the body, you can readily see that any impurity in the blood will cause serious complications.

Any slight disorder or impurities is a source of danger, as every vital organ of the body depends upon the blood supply to properly perform its functions.

Many painful and dangerous diseases are the direct result of a bad condition of the blood. Among the most serious are Rheumatism, with

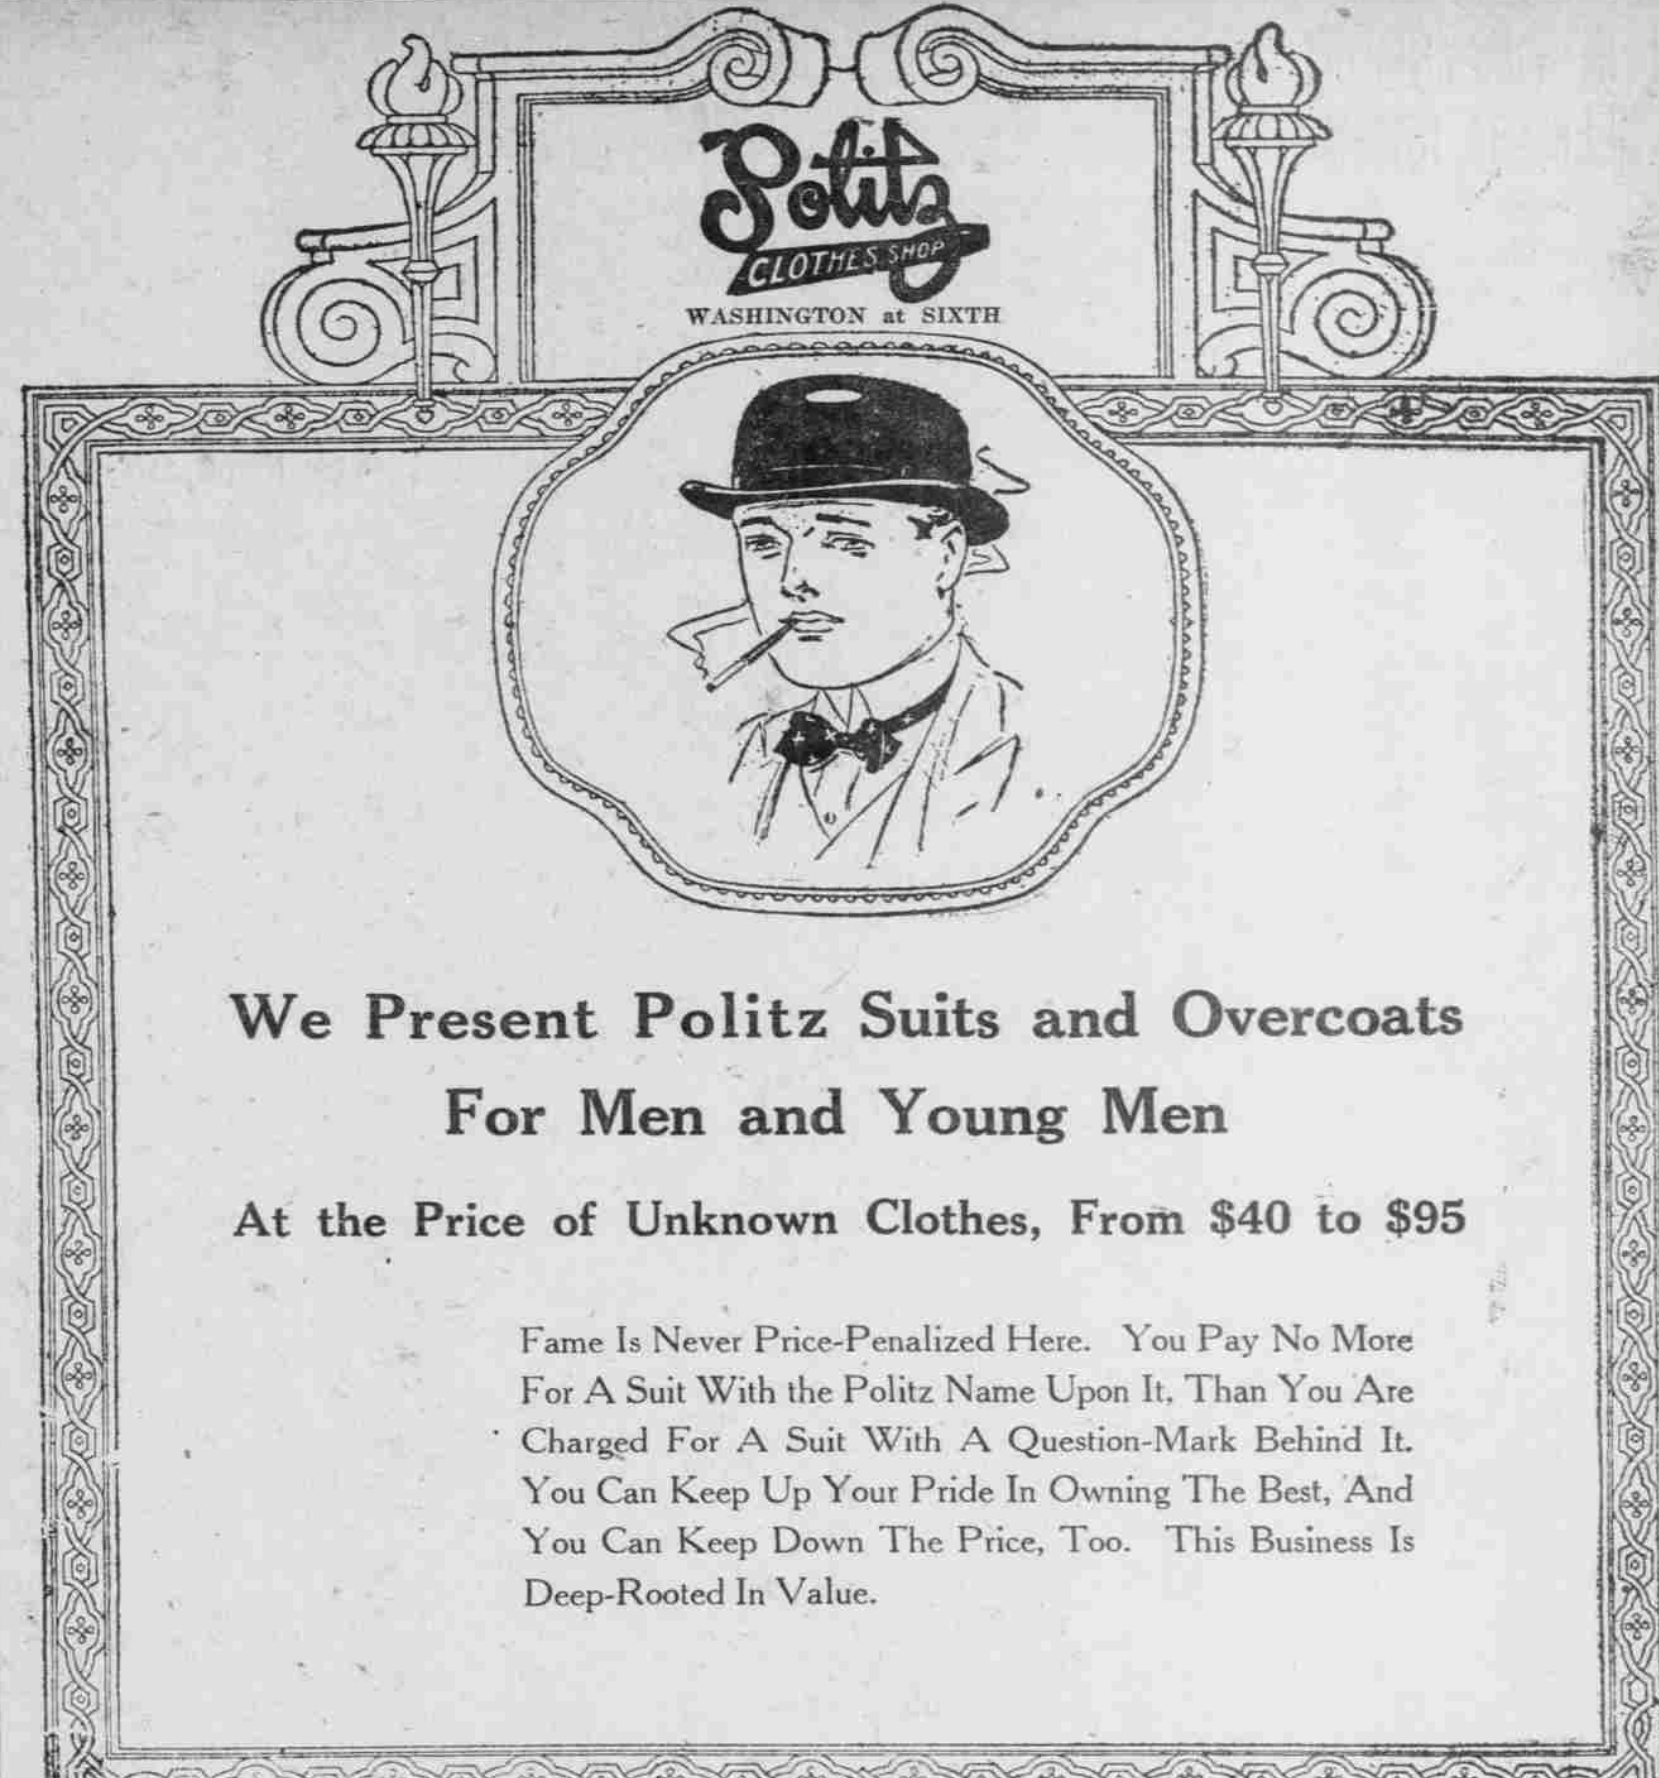

its torturing pain; Eczema, Tetter, Erysipelas and other disfiguring skin diseases; general debility, which makes the strongest men helpless, and many other diseases are the direct result of impure blood.

You can in a large measure avoid liability to disease by the use of S. S. S., the wonderful blood remedy that has been in constant use for more than fifty years. S. S. S. cleanses the blood thoroughly. It is sold by druggists everywhere.

The Finest Pie Crust Is Easy to Make—Can You Make It?

SOME people say that the making of flaky, delicate and easily digested pie crust "is an art."

Perhaps it used to be. Today even the inexperienced girl can make the finest pie crust.

Only two things are necessary. A good recipe—which is given here. And Mazola—which is sold by all grocers.

Mazola makes delicate, flaky and easily digested pie crust because it is an absolutely pure, vegetable oil—from an edible source.

Wherever you find cooks making really good pie crust, you will find Mazola.

And once you try Mazola you will never go back to lard and compounds.

PIE CRUST

1 1/4 cups sifted flour
1/2 teaspoon salt
1/2 teaspoon Baking Powder
1/2 cup Mazola
4 tablespoons Cold Water

Sift dry ingredients. Add water to Mazola and beat until creamy. Mix quickly into dry ingredients. Toss on to slightly floured board and roll to desired thickness. This recipe makes one double pie crust.
