Hudson and Essex Cars

Return to Bedrock Prices

Reduced \$300 to \$450

Thousands have planned to buy Hudson and Essex cars this fall. The Super-six has the world's largest selling fine car. In eighteen months Essex sales made an unmatched record. What must now be the demand for them at these bedrock prices? But labor and material shortages in early summer had forced reductions in schedules for fall and winter. And now the return to normal in prices assures such an immediate increase in sales that scarcity of Hudson and Essex cars seems certain.

Choose your car now. Learn how the price reduction increases its attractiveness. And remember, that in either Hudson or Essex you obtain exclusive motors, for they are patented.

You can save \$200 to \$450. Act promptly if you want delivery this fall.
