

**MRS. MARY MALLETT
W. C. T. U. PRESIDENT**

All Other Oregon Officers Are Re-elected.

ORPHAN AID INDORSED

State-Wide Drive for Funds to Start Farm Project Is Outlined at Session.

Mrs. Mary L. Mallett of Portland was elected president of the Oregon Women's Christian Temperance union yesterday on the second day of the 37th annual state convention. Mrs. Mallett, who succeeds Mrs. Mattie M. Sleeth, has been an active worker in the union for many years and several years ago served as president of Multnomah county.

All the other officers were re-elected. They are: Mrs. Madge J. Means of Portland, corresponding secretary; Mrs. J. W. Miller of Milton, recording secretary; Mrs. Jane Donaldson of Portland, treasurer; Mrs. M. Frances Swope, vice-president-at-large.

Election Principal Business.
The election of officers was the principal business of the session yesterday at the White Temple, the balloting requiring several hours, since no nominations were made. Formal indorsement of the orphan's farm home was made yesterday by the union members, who will endeavor to raise the farm to care for children under the direction of the child welfare commission. The plan was discussed first at the convention last year and approved by the mid-year executive meeting in February, but yesterday the complete plans were presented to all the women of the union for the first time by A. C. Schmitt of Albany, president of the home.

State-wide Drive Planned.
A state-wide drive to raise the \$125,000 necessary to buy the farm and start the work will be started about the second week in October. The farm will be organized on the cottage plan and the children, after some time there, will be placed in homes throughout the state under supervised plan, favored by the child welfare commission.

The farm will be governed by a board of 18 directors. The three Portland representatives on the board are Mrs. Mary L. Russell, Mrs. Mallett and Mrs. G. E. Bland.

Superintendents Make Reports.
Mrs. M. L. T. Hadden presented the report of 18 superintendents to the meeting in the afternoon. Each superintendent, who is chairman of a special committee, reported on the work accomplished and proposed for the coming year in her department.

The new superintendents will be elected this morning at 11 o'clock. In the afternoon the delegates from the Washington state convention will be formally introduced and fraternal greetings will be extended from the Federated clubs, Mothers' congress, Parent-Teacher association, the Oregon Salvation League, the prohibition party and other organizations. The Washington delegates will be given honor at luncheon at the First Methodist church today. The convention will close tonight.

W. C. T. U. BURNS MORTGAGE

Washington Convention at Vancouver Brought to Close.

VANCOUVER, Wash., Sept. 30.—(Special)—The convention proper of the Women's Christian Temperance Union closed a three-day session at 10 o'clock, though all delegates remained for the night programme in the First Methodist church, when the ceremony of burning the mortgage on the White Shield home in Tacoma was celebrated. The mortgage was burned amid applause, Miss Mary E. Brown, president of the convention, officiating.

Dr. Eva St. Clair Osburn, president of the home board of managers, told of the work being done by the White Shield home in Tacoma. The old home, built in 1889, has been sold, and in 1915 a new one was built. At this time to date this year 87 girls have received care and 53 babies were born. The girls receive employment and help when they need it. This home is financed with assistance from the state and contributions throughout the state.

The prize banner for the branch obtaining the greatest number of newspaper clippings went to King county. At 7:30 o'clock tonight the Vancouver orchestra gave a concert, followed by a musical programme by a chorus of blind pupils from the Washington State School for the Blind. Superintendent Chapman gave several violin solos.

FAG-O-SAN
—a cool, comfortable Sanitary Napkin
The high absorbency of the Spangum Moss filling, coupled with the fact that it doesn't back when moist, makes of FAG-O-SAN a consistently cool and comfortable dressing.
