

RAINIERS SLIP BACK ON BEAVER SHUTOUT Kallio Scatters Hits While Seattle Errors Help.

SCHORR DRAGGED TO BATH Portland Runs Mostly Unearned, Though Eight Bingles Have Bearing on Result.

Pacific Coast League Standings. Vernon 10, Seattle 9, Portland 8, San Francisco 7, Los Angeles 6, Sacramento 5, Salt Lake 4, San Diego 3, San Jose 2, Portland 1.

SEATTLE, Wash., Sept. 30.—(Special.)—The Rainiers slipped back into the trap again today, losing a poorly played contest to the Beavers, 3 to 0. The home boys were in their hitless mood again, while Rod Murphy made two errors at first base which were converted into runs by McCredie's hustling bang. Kallio pitched good ball and deserved his shutout.

The opposition did not glean an earned run of the three local chuckers who took turns at the job. Hunky Schorr shut the visitors out for three innings and then kicked himself out of the game. Schorr became provoked when Dan McDevre missed two or three strikes on him and Hunky expressed himself so strongly that Dangerous Dan chased him to the splashing waters. Hunky refused to go of his own accord, and it took the combined efforts of Bohne and Zamlock to escort the southpaw to the clubhouse.

Cox Scores on Fluke. Charley Sweeney, who relieved Schorr, also did well, and would have not permitted a run had Murphy held those two throws. He performed the feat of striking out George Maisei and Lou Blue in the sixth with the bases full.

Portland's first unearned score came in the fourth. With Dick Cox on second and two out, Schaller dumped a roller to Bohne, who threw in place of time to retire Biff at first. Rod dropped the toss and Cox scored. In the eighth Murphy's second slip gave Cox a life, and after two were out Baker tripled to right and Kingdon popped a Texas over the two more Beaver tallies counting.

Rainiers Lack Punch. The locals could have made up for those runs and scored a couple of more to keep the game from being a punch of a few weeks ago, because they were on the bases often. Captain Bohne, who is doing half of the hitting for the club, singled in the fourth, stole second and scampered to third on Baker's low throw to head him off. That act, singled in with the heavy stickers coming up and yet Bohne couldn't reach home on the meager assistance his mates gave him. Score: Portland, 3; Seattle, 0.

BROMLEY BLOWS BEE VICTORY Senators Take Game When They Tally 4 Runs.

SACRAMENTO, Cal., Sept. 30.—After Salt Lake had taken the lead in the first half of the game, the Bees today by scoring four runs on two hits and two errors, Bromley blew up in the last half of the game frame, Sacramento scoring four runs and winning, 7 to 5.

Bromley walked three men, forcing in a run. Then Walter misgambled, allowing three more runs to cross the plate. Cady was out of the field in the ninth for talking back to Empire Byron. The score: Salt Lake, 5; Sacramento, 7.

ANGELS TRIUMPH IN TWELFTH Oakland Plays Ragged Game, Making Six Errors.

OAKLAND, Cal., Sept. 30.—Los Angeles took three extra innings to beat Oakland, 8 to 2, breaking a 2-and-2 tie in the 12th, with a triple by Niehoff, sacrifices by McAuley and K. Crandall and two errors by Mitze. The Oakland playing was ragged, six errors being chalked against them in the tenth they filled the bases on three hits, but Crandall was an easy out at first. Score: Los Angeles, 8; Oakland, 2.

CHICAGO, Sept. 30.—A declaration that the investigation of the 1919 world's series baseball scandal would be continued by the Cook county grand jury, which will be constituted a special grand jury, was made in a statement issued today by Charles A. MacDonald, chief justice who ordered the inquiry. Every suspicious game he declared, that has been played within the last 18 months in either the National or the American league will come within the purview of the investigation. The judge declared, still has much to accomplish. "To this end," he added, "the present grand jury will be incorporated as a special body Saturday and will go ahead until it has sifted down the evidence to the last incriminating fact. Every suspicious game which has been played within the last 18 months in either league will be within the purview of the investigation. Because of the statute of limitations that is as far back as the jury can go.

CRIPPLED SOX WILL PLAY CHICAGO TO OPEN LAST SERIES WITH ST. LOUIS BROWNS. Cleveland Must Drop Three Out of Four Games to Detroit to Lose Pennant.

CHICAGO, Sept. 30.—With little more than a fighting chance to win the American league pennant, the Chicago White Sox, crippled throughout the loss of seven stars as a result of the baseball scandal investigation, left today for St. Louis to open the final three-game series of the season tomorrow with the St. Louis Browns. The players were determined to fight to the end. For the Sox to win the pennant they must win three in a row, while Cleveland must drop three out of four in Detroit. In his final drive for the pennant, Manager Gleason expected to pitch Kerr in the first game, Fisher in the second and then come back with Kerr again in the third. The rest of the line-up probably will be: Catcher, J. Ed Collins; 2b, McClellan; ss, Murphy; 3b, J. Collins; lf, Leibold; cf, Strunk; rf, ...

Coast League Directors Are Behind Their President. VOTE PROVES UNANIMOUS Committee Appointed to Investigate Further Possibilities of Gambling on Coast.

NEW YORK OFFERS TO HELP Chicago Prosecutor May Accept Aid From Eastern City. SAN FRANCISCO, Sept. 30.—(Special.)—Business men with large interests were brought here at heavy expense from the four points of the compass to attend a meeting of the coast league and to discuss the case of Bill Ruml, a ball player who has been barred for five years because he admitted taking money from Babe Borton, a confessed briber of ball players, and not even a motion was made that Ruml be reinstated. On the contrary, the motion was made to sustain the action of President McCarthy, and every one of the eight directors in the league voted favorably. Later, Billy Lane, president of the Salt Lake club, realized his mistake and asked permission to change his vote. That was granted him, so the records now show that the directors of the San Francisco, Oakland, Seattle, Portland, Sacramento, Vernon and Los Angeles clubs voted to sustain the action of McCarthy, and Salt Lake alone voted "No."

A committee, consisting of President McCarthy, Edwing the Oakland club and Charles H. Graham of the San Francisco club, was appointed to investigate the case of Ruml. The committee has not yet reported to the annual meeting of the league to investigate and ferret out all rumors of crooked deals. Ruml's Chance Seems Slim. In this they are likely mistaken, as there were about a dozen other players who were barred from the league. Ruml's chance seems slim. In this they are likely mistaken, as there were about a dozen other players who were barred from the league. Ruml's chance seems slim.

Indoor Ski Club Banquets. Event is in Nature of Farewell to Captain Roscoe Fawcett. The annual banquet of the Oregon Indoor Ski club was held Tuesday night at the Benson hotel. A. D. Wakeman was re-elected president and plans were made for the annual winter's outing in the mountains. Several years the club has spent a fortnight each year snow-boarding and skiing on the slopes of Mount Hood, alternating between the north and the south sides each season. The war interrupted the outdoor activities of the organization but the mid-winter jaunts will be resumed in December or January.

Rev. Goshen Defends Ruml. After the discussion amounted to nothing, Jack Cook made a long speech, showing that the Salt Lake folks were anxious to preserve integrity of the game. Frank Murphy, a former president of the Salt Lake club, deplored the fact that the Pacific coast league was not held in light and he wanted that corrected. Then Rev. Dr. Goshen, who said he "knew men," said that if the Pacific coast league was held in light and he wanted that corrected. Then Rev. Dr. Goshen, who said he "knew men," said that if the Pacific coast league was held in light and he wanted that corrected.

Vernon May Get Jury. Eddie Maier of the Vernon club reported that the coast league directors of Los Angeles was not keen to handle the cases of the Vernon players against Bill Egan, nor Borton's case against Bill Egan, manager of the Vernon team, and the committee may get busy and try to have a grand jury in Los Angeles take up the matter. It was the grand jury in Chicago that opened up the festering sore in the American league, and a grand jury in the coast league might do as well.

Hard Winter's Letter on Mile. Eddie Maier is mighty suspicious right now of a hitch on the Vernon club, but says he can't get proof enough to justify him in firing him. Maier favors having a grand jury investigate the charges made by Borton and the members of the Vernon club, and says he will gladly kick out of baseball any member of the Vernon club against whom evidence can be produced.

As a matter of fact Bill Ruml was in the hotel in Los Angeles when the meeting was being held in progress. He did not ask to be heard, nor was he called. His affidavit was on file also, and he is going to file the Borton remanding him that it was "to be a long, hard winter" and the directors by a vote of seven to one decided to bar him from the coast league for a period of five years.

The present plan contemplates an annual football game to be held on Armistice day, November 11. The American Legion has the consent of the army and navy authorities to hold the game which, it is hoped, will be the forerunner of many more. The championship even of the western department of the army are to be contenders each year.

Never before has there been so much accommodation to seat all those who wish which will be played between the California universities and those of Washington and Oregon. According to the graduate managers at both the University of California and the University of Washington, the demand for seats is such that it already is a certainty there will not be sufficient accommodation to seat all those who wish to attend the contests. As for the "big game" between California and Stanford, the call for tickets has been so great that a movement already is on foot at the University of California to start a campaign for a concrete playing stadium similar to that of the University of Washington.
