PHILLIES, CUBS ON GRID

Guilt of Chase and Magee Held Proven by Affidavits of Big Bush Players.

CHICAGO, Oct. 1.—The Cook county grand jury investigating the baseball scandal today received further information concerning the throwing of games in last year's world series...

William Vecek, president of the Chicago National league club, told the jury that his private investigation charges that the Philadelphia-Chicago National league game of August 21 had been fixed for Philadelphia to win...

Vecek said evidence he had found in Detroit convinced him there was no crooked work in the August 31 game. He said he believed the gamblers themselves had sent him the telegram received just before the game...

Garry Herrmann, president of the Cincinnati club, presented affidavits from "Christy Mathewson, former New York pitcher and Cincinnati manager, "Greasy" Neale, Cincinnati outfielder, Jimmy Ring, Cincinnati pitcher, and Manager Ewing...

Herrmann verified accounts given Wednesday by President John Heydler of the National league of how Magee actually helped win a game he was trying to "throw."

On another occasion Herrmann is said to have told the jury Ring accepted \$50 from Chase, but immediately reported it to the club management.

Herrmann verified accounts given Wednesday by President John Heydler of the National league of how Magee actually helped win a game he was trying to "throw."

Players Promise Fight. "We investigated for some time and while we found enough to convince us the series was not on the square we found nothing on which to base legal action," said Mr. Hoynes.

Clyde Elliott, another witness, verified the previous testimony concerning a trip by William "Kid" Gleason, White Sox manager, to St. Louis in an attempt to get evidence that the world series was not straight.

"Buck" Weaver, Fred McMullin and "Sweets" Risberg, three of the eight White Sox players indicted, tonight declared they were innocent and would fight the case in court.

"We are arranging for legal counsel and we'll prove our innocence," Weaver said. "We'll be back in the big leagues next year."

It was reported that the jury had received evidence that considerable betting was done in Kansas City this year on a Philadelphia-Chicago game, but no testimony proved the existence in this connection was received, according to an official in the state's attorney's office.

The jury will not again consider the baseball scandal until next Tuesday, when Hughie Jennings, Detroit manager; Jean Dubuc, former Detroit pitcher now with Toledo; John McGraw, Fred Toney and Charlie Gassner, the latter two players on the New York National league team, are expected to testify.

It is claimed he telegraphed his wife in Milwaukee to come to Chicago for the first game and that when she met him his greeting was to toss \$15,000 in winnings on the table.

The players said the couple had a disagreement over the affair, but later were reconciled.

The money was said to have been withdrawn from a savings bank last Monday. Mrs. Felsch is expected to be questioned by the grand jury.

ROBIN QUIZ NEAR END. Hearing Next Tuesday. NEW YORK, Oct. 1.—Examination of members of the Brooklyn baseball club by District Attorney Lewis A. Kings county is expected to start today. Eight members of the team appeared before the prosecutor, but no statement regarding the questioning was given out by Mr. Lewis.

Camel CIGARETTES Philadelphia - Tuesday. Always learn something when I head into this old town. Passed my deck of Camels to a fine, business-looking citizen in the Pullman dressing room this morning and this opened up a conversation. Listen, Pete, that man talked the Camel language according to Hoyle!

"Camels are the very quintessence of cigarettes" said this party. Pete, get that word? It fits—it spreads the news—it spills the whole Camel story! And, if you don't get what I'm driving to you, look up the word in Webster's! Why, Uncle Sam put it there when he dreamed Camels were coming! That man slipped into one work-mellow-mild-body, no cigarette aftertaste, no cigarette odor—and—the best cigarette in the world at any price!

Pete, why do you hear men of all types everywhere actually boasting Camels? That's because they know Camels are right! They know from Camels flavor that Camels have the quality—and—they know that Camels blend of choice Turkish and choice Domestic tobaccos makes the most delightful cigarette any man ever put between his lips!

Old oil well, I'm no gusher, but the way Camels are going to NOTE and NOTE men every one of the seven days in every week is a sight to see! Leaving for K.C. tonight housed as close to the roof as they could put me! Drop me a line care Hotel Baltimore.
