CUT PRICES ON NEW CARS. It is not necessary for us to put on a cut price sale on our used cars for the reason that our prices are RIGHT and have been right all season. If you will compare our stock with others you will find a marked difference in the value of our cars over others. Most of our cars have been overhauled in our own shop and some have been repainted, all of them are more than worth the price we ask. Here is a partial list of the stock, which is changing from day to day.

which is changing from day to day.

FOR SALE-AUTOMOBILES. AT THE COVEY MOTOR CAR COMPANY PLANT.

Because we have materially reduced our prices on used motor cars is no reason for one to believe that there has been any relaxation on our part toward the rebuilding and refinishing of these cars so as to present the highest possible value.

It is just as necessary for us to sell used cars at this time of year as any other. Our business is no longer a seasonable one. It is quite staple. This being the case and coupled with the known fact that most people buy their cars in the spring and summer, we find it necessary at this time of year to make our priges so attractive that a conservative buyer will immediately take advantage of our ofly take advantage of our offerings.

NOW IS THE TIME TO BUY YOUR CAR. Buy now on easy terms and have it paid for by spring. Buy only the best from a dealer who holds your confidence.

DODGE BROTHERS MOTOR CARS. Rebuilt, Refinished and Reasonably Priced.

CADTILACS.
Owing to the evident readjustment of manufacturing and shipping conditions, we have every reason to believe that the acute shortage in Cadillac Motor Cars will be soon relieved.

So as to dispose of our most excellent stock of rebuilt and refinished cars preparatory to making more trades on new business, we have materially reduced the prices on these cars. You are due to receive one of the great surprises of your life when you carefully inspect these cars, which represent the utmost in this company's refinishing ability, and realine that they may be purchased at so low a figure.

It is possible that these pri will be maintained only while of present stock remains intact.
