Ten Big Audiences Roar Approval of Governor.

ALL AUDITORIUMS PACKED

League Issue Predominant in Candidate's Address—"Scouts" Declared Busy as Ever.

TULSA, Okla., Oct. 1.—Oklahoma today gave Governor Cox a reception rivaling in enthusiasm any of the democratic presidential candidate's western trips...

New Attack Encountered. A new form of attack was encountered by the governor at Chandler, from which town a sheaf of telegrams signed by various names had been sent him...

Scouts Declared Busy. "These scouts," the governor said, "have been traveling everywhere. I don't know how many of them there has employed. You will find them in sleeping cars, smoking 25-cent cigars for the first time in their lives..."

How's the election going? "Well," the scout says, "I have been a democrat for 20 years, but no more of it for some time done." "There are thousands and thousands of that kind of scouts traveling all over the United States and big business is being done..."

Article 16 was compared by the governor to the British commandment. "This commandment," he said, "has been written not only in the code of personal morals, but in the public law of every land..."

Charge of Taft is Denied. Democrat says ex-President made Misstatement of Fact. NEW YORK, Oct. 1.—Denial of the published charges of former President W. H. Taft that Governor Cox "attacks the Associated Press for failing to give to its reporter a fair account of his speeches..."

Further Accused. It further was charged that the plaintiff used all means in his power to induce labor organizations generally to prevent others from uniting with them...

Not one of us connected with the democratic campaign has the slightest complaint of the Associated Press or any reputable press association. They have given us a perfectly fair deal. They supply the news to newspapers, but they cannot compel them to print it...

Cox to Speak in Rochester. NEW YORK, Oct. 1.—An additional announcement for Governor Cox was announced today at democratic national headquarters. He will speak in Rochester, N. Y., October 18, also taking the platform in Buffalo that

EX-SENATOR CRANE DIES

On October 12, 1904, he was elected to the following January for the term ending in 1907 and re-elected for the term ending in 1911. At the expiration of his second term he declined to seek re-nomination...

At the last republican national convention in Chicago he was one of the group that consolidated the delegates when they appeared hopelessly deadlocked and brought about the nomination of Senator Harding. Mr. Crane was a strong advocate of a league of nations.

He was always interested in scientific agriculture. By the application of business methods he developed 2700 acres of neglected land in Dalton into a successful farm. Mr. Crane made many important gifts to his home town and gave largely to charitable objects. He was credited with having saved many individuals and small companies in the Berkshires from bankruptcy when they were overcome by business difficulties...

W. Murray Crane, ex-United States Senator, who died suddenly.

British Military Commander to Appear Before Body.

LONDON, Oct. 1.—Members of the British cabinet met yesterday to discuss the situation in Ireland and to learn from General Sir Frederick Nevill Macready, commander of military forces there, details of conditions. It was declared likely that the cabinet would require an explanation of a recent interview which has been interpreted by the newspapers as condoning reprisals by "black and tan" police.
