CONCERT TAX TO BE ELIMINATED.—Word was received yesterday that the usual war tax demanded by the United States government on the admission to the popular Sunday afternoon concert, conducted by the city of Portland, will be eliminated. Heretofore the city has been forced to pay this war tax out of the concert receipts. The government has eliminated the tax because the concerts are presented on a non-profit basis and also because these concerts are considered educational in nature. The first number of the winter popular concert season will be staged Sunday afternoon. The Royal Kossian band, the Royal Kossian quartet, William B. Boone on the auditorium organ and several vocal and instrumental soloists will be on the programme. A small admission price to cover incidental expenses will be charged.

MATINEE TO CLOSE SHOW

HARRY FOX BIDS FAREWELL TO PORTLAND TODAY.

Motion Picture and Musical Comedy Star to Enter Film Life Again at Los Angeles.

Harry Fox, motion picture and musical comedy star, will bid farewell to Portland this afternoon, the matinee today being the final performance. Mr. Fox accepted a big-time vaudeville contract covering the Orpheum houses from Chicago to Los Angeles, where he is under contract to star in a series of new feature films.

Harry Fox has been on the stage since infancy and his unique comedy methods helped him to stardom. He is a natural comedian, his manner on the stage being the same as in real life and he does not resort to any artificialities in dress or make-up to win laughs. In his Orpheum act he is assisted by Beatrice Curtis, who was pronounced by Harrison Fischer to be a beauty. In the finale of his act Mr. Fox introduces five Portland women as a background for a song which relates his conquests as a hotel lobby lounge. This part of the act wins great laughter at every performance.

Other acts of the Harry Fox show are Wallis Clark and company in "A Good Bad Man"; Dewey and Rogers in "No Tomorrow"; Four Harmony Kings, colored singers; Billy Shone in "A Day Off"; Wastika an understudy, two marvelous trained seals, and the Three Lords in an amazing and comical acrobatic act.

Harry Fox and Beatrice Curtis, who close Orpheum engagement today.

It's Not a Crime To Be Thin, But—

It's really embarrassing to be so thin that people speak of you as being "skinny." After all, it's not necessary to be either thin, weak or anemic. Most any man or woman who wants to put on flesh, increase strength, endurance and vitality—can do it in a few weeks by getting a package of Blood-Iron Phosphate from the Owl Drug company or any other good druggist, and taking as directed. This increases the red blood cells, strengthens the nervous system and thus helps to quickly overcome these troubles, such as thinness, anemia, neurasthenia, sleeplessness and physical weakness due to or accompanied by impoverished blood and weak nerves. Blood-Iron Phosphate costs only \$1.50 for a three weeks' treatment and is so genuinely good that the druggist of whom you buy it is authorized to refund the full price to you if you are dissatisfied. Better get Blood-Iron Phosphate and begin its use today.—Adv.
