Stone, Adam and Clancy Win Gresham Events.

PORTLAND BOY IN FENCE

Track Buled Too Dangerous for Heavy Cars and Light Machines Fight Hard.

"Larry Stone, driving the world's scord-holding Duesenberg No. 8, Lucky" George Adams in an Es-ex, and Paul Clancy, northwestern champ," in an Essex, were returned Winners in the auto races at the Multnoman county fair yesterday af-ternoon at Gresham. The events made up in excitment

and spectacular driving what they lacked in speed. Slowed by a muddy course, which was dangerous because of a top coating of slippery mud on a hardened surface, the track stars battled the dirt course in an effort to cop the purse money in six events.
Starter Bill Breitenstein, official representative of the International Motor Contests association, ruled the track too dangerous for the sweepstakes and handicaps but allowed match competition and elimination

races on the afternoon cards. Portland Pilot Hits Fence.

George Adams, slated against "Slim" Forbes in the Forbes special, thrilled the stands on the second lap of their match race when the during Portland Essex pilot crashed into the fence on the home-stretch turn, tore out three lengths, tossed off a "spare" in front of the stands and all but caught Forbes on the finish dash Forbes showed good sportsmanship by slow-ing up until Adams came out of his bad skid, but led Adams in the first heat. The event went in three heats, with Adams capturing the two final frames and winning the event. Paul Clancy in Essex i trimmed Searles in Rajo 7 in the first heat of the elimination race after the youth-

ful Searles had given the veteran Basex pilot a hard tussile. Larry Stone in the fast Drymberg battled the mud turns with atters in a Drexel in the second heat of the elimination match race and then caught Watters in the final spurt for the tape after the midwest driver had en him a tough speed battle in the first three laps.

Heavy Cars Ruled Out.

Stone and Watters put on the most risky looking race of all. On the home stretch Stone's Duesenberg skidded sidewise each time he pushed the throttle, while Watters, on the le position, would pull up and pass, ly to be caught on the turns which one rode with exceptional speed. Jimmie Costa, Ray Rountree, Swede Anderson, Leo Deleveaux and Ernie Foshaugh graced the sidelines in per-son during the races, it having been peedway type cars could not pull the

In the final mile dash to decide the elimination race, Clancy led Stone on the first lap but was caught in the final frame on the home stretch and Stone was accorded winner in the closest finish of the afternoon.
Stone took first and Clancy second this three-heat event by virtue of

their respective winnings.

A fair sized crowd witnessed the events, the first of their kind to be held on the Gresham track.

The two stars were all even at the

end of the eighteenth hole, and when

to within about 75 yards of the green Miss Fownes played it safe with a

chance, she called for a spoo and lifted her ball onto the green, on a line for the pin and about 25 feet beyond the cup. Miss Fownes' third cost her the match, her approach being short and her ball came to a stop in one of the sand pits. She made a great bid to haive the hole when she got out on the green, about 18 feet from the pin, on her fourth. Mrs. Hurd was very close on her putt and it was up to Miss Fownes to hole a long one to halve it. She failed.

Three Runs Scored in Eighth Blast Hopes of American Associa-

As far as the Washington squad was concerned the contest was a good workout, as the Commerce players at no stage of the game proved dangerous. The heavy Colonial backfield ploughed through the light Commerce aggregation at will, and when has mer the Hesse-Martin team in the Washington team would work an end run or a forward pass. Only once did the Bookkeepers hold the Colonials for downs, while Commerce failed to make yardage at any time during the game.

The Washington backfield was all in no the scoring. Haak, Myers and Burbut each crossed the Commerce goal line for two touchdowns a piece, while French, a new man on the team this year, was shoved over for five touchdowns. Kenneth Scott, who essayed the goal kicks for the East Side players, connected with 10 out of 11 tries.

"IT'S TOASTED -the Tobacco

To pipe smokers Lucky Strike tobacco offers the same exceptional flavor as the famous cigarette. Made from the finest Burley tobacco-it's toasted for your pipe.

If you don't know how delicious toasted Lucky Strike is ask for a tin today, and taste!

IT'S TOASTED

The Burley tobacco leaves have pores, like a sponge. When "it's toasted" their pores are closed, the flavor sealed in, permanently. When you burn Lucky Strike in your pipe or cigarette, you are releasing the original Burley flavor that was sealed in by toasting. Exactly that. Heat seals it in, heat releases it.

You know how a bee seals in the flavor of honey with the thin coating of wax. This coating holds in that delicious honey flavor until it's used.

Just so the toasting process seals in the Burley flavor. This flavor is preserved until you release it by smoking. A wonderful process and a great discovery for smokers.
