PRICE DROP BARED

Manufacturers Blamed for Continued High Costs.

200 OPPOSED TO SYSTEM

Federal Trade Commission Advised by Business Interests to Form Policy.

WASHINGTON, Oct. 5 .- Partial reonsibility for high prices was laid day on the trade practice of manufacturers' guaranty against price deciline by those who protested against the custom at hearings before the federal trade commission. More than 200 spokesmen for business interests were present to advise with the commission in fermulating a policy.

The statement that prices would have going down soon after the armi-

have gone down soon after the armi-stice in many lines had the price guaranty practice been unknown was brought out in answer to questions by Chairman Murdock. Without exception opponents of the

system said their belief had been con-They cited the sugar and silk markets as typical.
Mr. Goldsmith, representing the Silk

Association of America, said the guarantse could be construed in no other light than as a means of maintaining "generally high level of prices and mitigating against any reduction which would have followed natural operation of the law of supply and demand."

Portland will have a business show, largely for the conefit of business executives and members of offices, during the coming spring, if forces, during the coming spring, if plans now being made by the Busi-

loss by the manufacturers.

fers of Canadian flour at prices taking full advantage of the difference in exchange continued to dominate the market reports, but domestic wheat is now down to the Canadian level and purchases of Canadian wheat by mills south of the border wheat by mills south of the border the exhibitors. In general the shows are planted for the education of those

Eleven Points Are on One Side, Ten on Other, and Polished Like Ivory, Says Game Warden in Cook County.

NORTH BEND, Or., Oct. 5.—(Special.)—J. M. Thomas, chief fire warden for the Coos County Fire Patrol association and formerly deputy game warden for several years, was a cold buildings burned down last spring. doubting Thomas when his game spring, deputies and later one of his fire pa-

have been coming to Mr. Thomas for the last five or six years and he ridi-culed them as dreams induced by sleeping in the open.

But he has one warden he stakes much on—J. D. Tower, and when Mr. Tower told him of getting a "close-up" view of the white elk Mr. Thomas' doubts were dispelled. Patrolmen doubts were dispelled. Patrolmen Tower had seen the animal several times before. His last view of the animal was not far from Brewster valley, where he came upon the elk at about 15 rods' distance and had a view of several minutes before the animal beat a retreat.

Mr. Tower describes this freak as

pure white, with a great spread of antiers, with 11 points on one side and 10 on the other. Mr. Tower was close enough to make out that the tips of the antiers for some distance. were of a high polish and resembled ivory. The animal is one of the larg-est of the 40 or 60 elk ranging in the

Tioga country.

Mr. Tower a few years ago sought a permit from the state warden's office to kill the white elk, but the requirements for its disposal did not suit him, and so the animal is still

firmed by breaks in commodities where the practice was not employed. Officials of Exposition Company Here to Explain Plan to Obtain Greater Efficiency.

operation of the law of supply and demand."

Silk prices, he said, had declined 50 per cent in the last six months, which would have been impossible had the wholesalers been guaranteed against loss by the manufacturers. "What about holding up artificial prices, like war prices, and would they have been reduced except for the price guarantee?" Mr. Murdock inquired.

"Unhesitatingly. I would say they would have failen long ago." Mr. Goldsmith replied.
Only two speakers defended the practice, but their side of the question will be heard fully tomorrow.

DROP SLOWS WHEAT MARKET

Chase Decline Felt in Flore and handle office equipment and service. Sharp Decline Felt in Flour and
Millfeeds.

MINNEAPOLIS, Minn., Oct. 5.—
(Special.)—The Northwestern Miller's weekly review of the flour trade said the startling drop in wheat prices.

Although the shows have been held the startling drop in wheat prices.

weekly review of the flour trade said the startling drop in wheat prices, which brought the December option below \$2 on October 5, with cash wheat only a trifle higher, resulted in a sharp decline in flour and millfeed.

Patent flour dropped \$1 to \$1.50 a Patent flour dropped \$1 to \$1.50 a barrel in the last seven days, while bran declined \$5 to \$7 a ton. Practically no business was reported. Offers of Canadian flour at prices taking full advantage of the difference

likely to diminish in conse-ce. wheat mills last week reporting an output of 53 per cent of capacity, the Kansas-Oklahoma hard winter wheat mills 65 per cent and the Ohio valley soft winter wheat mills 34 per cent.

WHEAT, CORN SAG 6 CENTS or office work. Special tickets are Oats, Barley and Rye Decline on nitely within a few days whether the exposition will be held in Portland next March.

CHICAGO, Oct. 5.—Wheat and corn today repeated yesterday's tendencies and declined 3 to 6 cents a bushel on the Chicago market. Oats, barley and rye also declined but to no great Lost in Poker Games. Lost in Poker Games.

Suit to recover from the "kitty"

Coincident with the wheat reduction, was announced from Minneapolis of further reductions in the price of flour, new quotations being \$10.90@ 11.00 a barrel in carload lots. Corn declines carried down the price of hogs—"finished corn"—and the top was \$15.58 with the average near \$15. December wheat delivery closed today at \$1.89½, compared with yesterday's \$1.95 and December corn ended at \$4% cents, compared with yesterday's \$1.95 and December corn ended at \$4% cents, compared with \$6 cents yesterday, and \$1.22% a year ago.
