

TEACHERS TO ASK MINIMUM OF \$1400

Action Taken at Meeting of Grade Association.

The grade teachers' association at a special meeting yesterday voted unanimously to accept the recommendation of the federated council that the elementary teachers ask for a minimum of \$1400 and a maximum of \$2400 from the school board. The present maximum for grade teachers is \$1700.

\$2300 TO BE MAXIMUM

Amounts Thought Necessary for a "Living and Saving Wage." Increases Only Suggestions.

The Grade Teachers' Association at a special meeting yesterday voted unanimously to accept the recommendation of the federated council that the elementary teachers ask for a minimum of \$1400 and a maximum of \$2400 from the school board. The present maximum for grade teachers is \$1700.

Increases Only Suggestions.

These increases in salary are only suggestions, the teachers were told, to be made to Superintendent Grant by the federated council as to the amount of money which the teachers think necessary for a "living and saving" wage.

Guard Your Health With Disinfection

Contagious disease can attack you just as quickly as anyone else—unless you are constantly on your guard against it.

Disinfection takes the offensive against disease. Where frequent disinfection is practiced, disease germs are unable to gather, multiply, and attack your health.

Lysol Disinfectant

Used regularly, Lysol Disinfectant kills disease germs or prevents the breeding of germ life.

Cuspidors, toilets, sinks, drains, garbage cans, window sills, dark corners—all are favorite breeding-places for disease germs.
