

PURCHASE OF SCENIC TIMBER STRIP URGED

State Action Advised to Protect Road Beauties.

FORESTERS MAKE REPORT

Recommendation Submitted to W. B. Ayer, Chairman of Governor's Committee.

SALEM, Or., Oct. 6.—(Special.)—Purchase by the state of an irregular strip of timber land along the Seaside-Cannon Beach highway from the Crown-Willamette Paper company and other owners as the most effective means of preserving the scenic beauties of that highway was the recommendation contained in a report submitted to W. B. Ayer of Portland by F. A. Elliott, state forester; C. S. Chapman of the Western Forestry and Conservation association; and George H. Cecil, district forester, with headquarters in Portland. Mr. Ayer is chairman of the committee appointed some time ago by Governor Olcott to investigate and devise plans for conserving the forests abutting Oregon's scenic highway.

"The strip should be laid out," said the report, "with a view to keeping a screen of timber sufficiently wide to hide cuttings back of it. While some of this timber might blow down, a great deal of it is not large and probably will stand, logging in part of this area will again commence next spring."

"It might be stated that areas along the Seaside-Cannon Beach road, south of its junction with the Tillamook road, are of great scenic value, but constitute true forest land of little value other than for growing successive crops of timber. The state could doubtless purchase areas along the highway, when cut over, for a nominal sum, or certain areas might be donated to the state to be held for all time as state forest land. By this means young timber would be protected and revenue eventually obtained from the new crop.

"A thing to consider also in connection with the leaving of timber along this road is its probable permanency. It would appear that a better alignment is entirely possible. The foresters inspected the Seaside-Cannon Beach highway last Saturday, later submitting their report to Mr. Ayer, who sent a copy of the document to Governor Olcott. Just what action will be taken will be determined at a meeting the body to be held later in the month.

CITY ACTS TO GET PARK

DUTARD TRACT ORDINANCE PASSED TO 3D READING.

Pier Votes Against Emergency Clause and Delays Final Consideration Two Weeks.

The first step by the city to acquire the Dutard tract, which residents of the Albina district have fought to convert into a city playground, was taken yesterday when an ordinance introduced by Mayor Baker was passed to third reading.

City Commissioner Pier, in charge of the park bureau, refused to introduce the ordinance, it is understood, and voted against the emergency clause attached to the ordinance, thus delaying the final consideration of the Dutard tract acquisition for two weeks.

The tract in question, located on Williams avenue, Vancouver avenue, Morris and Stanton street, has long been used as a playground for the children of the district. Months ago when the question was before the council, a large delegation of mothers appeared before the council to urge the purchase in order to give the smaller children of the district a playground.

Mayor Baker contends that the district is entitled to consideration and inasmuch as this is the only available site, the council should purchase it at this time. City Commissioners Ebbur and Mann concur with the mayor.

Commissioner Bigelow will oppose the purchase of the site. It is understood, having stood against the acquisition of this particular site since the time its purchase was first suggested.

The ordinance which was considered yesterday authorizes the purchase or condemnation of the site. The city, if the ordinance is passed, will offer the owners of the property \$29.40 as the purchase price. If this figure is not satisfactory the city will enter the courts in a condemnation action.

Rev. John Dawson, rector of Episcopal church of the Good Shepherd has led the fight for the purchase of this property. His church is located but a few blocks distant.

ORATORY PRIZE SOUGHT
College to Make Attempt to Win State Contest.

ORIGON AGRICULTURAL COLLEGE, Corvallis, Oct. 6.—(Special.)—Oregon Agricultural college is out to win the state oratorical contest this year, according to Dr. George R. Varney, coach of oratory, who is making extensive plans for charge of driving his team through interclass contests.

Four contests will be held at one time, each class holding its own try-out to select men who will enter the elimination contests for class, college and state honors. Several men in each class have announced their intention of entering, and enthusiasm in this branch of oratory is exceptionally high.

Auto Driver, Fined and Jailed.

Chris Hanson was fined \$100 and sentenced to 20 days in the city jail yesterday when he pleaded guilty in police court to a charge of driving his automobile while drunk. Evidence showed he was unable to manage his machine and that, on a curbing and collided with another motor vehicle.

HOME OF JAILOR ROBBED

A. L. GUSTAFSON LOSES \$425 IN JEWELRY TO THIEVES.

East Tenth Street House Entered; Youth Arrested for Taking Pastry From Grocery.

Jewelry valued at \$425 was stolen from the home of A. L. Gustafson, a jailor at the police station, some time Tuesday, he reported to the detective bureau yesterday. Entrance to the policeman's home was gained by breaking the glass in the kitchen door and unlocking the door from the inside. The loot taken consisted of a \$500 diamond ring, a watch, a neck-

and about 35 years old is missing

from this city. The letter states that the body of some unidentified man was found near Long Beach on September 11. He wore an army shirt and an army belt. The initials "J. S." were on the belt buckle. Police detectives are searching through their file of missing persons in an effort to determine whether the body found near Long Beach is that of a local resident.

TRESPASS CASE QUASHED

Manager and Janitor of Cambrian Apartments Win in Court.

Municipal Judge Rossman yesterday dismissed the trespass complaint against George F. Norblad, manager, and O. H. Butler, janitor, of the Cambrian apartments. The men were arrested when A. B. Mitchell, a former tenant, accused them of illegally

holding his property. Mr. Norblad

returned the property to Mitchell and Judge Rossman said it was a case for the civil courts if Mitchell had been damaged.

Deputy City Attorney Lansing, who conducted the prosecution, denounced apartment-house managers in general for what he termed their "mouging" of tenants in attempting to enforce the \$3 payment for cleaning the apartments.

TILLAMOOK PLANS ROAD

New Strip of Highway Would Increase Summer Travel.

TILLAMOOK, Or., Oct. 6.—(Special.)—At a recent meeting of the state highway commission it was decided that a piece of road which will connect Tillamook and Lincoln counties will be built this year. This will

greatly increase the amount of summer travel to Tillamook.

There is a stretch of ten miles which will be made, one and one half miles being in Tillamook county, the same amount in Lincoln county and seven miles through the government reserve. According to present plans the state highway commission and the government will build the part

through the reserve with the counties each building their share.
