

WORK ON FOSTER ROAD IS PROMISED

City Tells Lents Improvement Will Be Made Soon.

COSTS WILL BE REDUCED

Municipal Paving Plant and Other Equipment Will Be Used to Cut Down Expenses.

Assurance from Foster road will be improved from East Fifth street to Eighty-second street was given residents of the Lents district yesterday by the city council.

County Also to Help. Last week, after hearing the pleas of a delegation from the Lents district, headed by E. L. Marshall, vice-president of the Mount Scott Improvement Club, Mayor Baker called a joint conference of members of the county board of commissioners and the city council.

Costs to be Small. The cost of grading and hard-surfacing the remainder of the street, as well as the sidewalks and curbs will be distributed over a large assessment district, thus bringing a low cost to the individual property owners of the district benefited.

City Commissioner Barbur announced that the assessment plan would be utilized on the work and it is understood that the county will use its plant and equipment and other equipment in bringing the roadway to the proper grade.
