\$25,000 PAID LABOR HEAD TO END STRIKE

Senate Committee to Ask Prosecution, Says Solon.

CALLED ATTACK

Counsel for Workers' Chief Says Move Is to Reduce Wages and Discredit Tollers' Chiefs.

NEW YORK, Oct. 21 .- Testimony taken at today's hearing of the joint legislative committee investigating the alleged building trust relative to the payment of \$25,000 by E. B. Levy, real estate owner and builder, to have a strike settled on one of his build-ng projects will be submitted to the "proper prosecuting authorities for mmediate action."

Mr. Levy, in testifying, declared he had paid the \$25,000 to his associate in the construction, "George Backer, one of the ablest building contractors in New York, who said he wanted to pay it to Mr. Brindell and, I think, the committee." night by Senator Lockwood, chairman

Labor Leader Involved. The Mr Brindell referred to, evi-dence disclosed, was Robert Brindell, president of the building trades coun-cil of New York City, and one of the highest paid labor leaders in the Mr. Backer, however, upon the wit-

ness stand, denied he had paid the money to Brindell, but declared he had paid it to "two strangers" whom he "belleved to be walking delegates," He said the money was paid last May in two installments—\$15,000 at one time and the remainder a few days later-and the strike had been

white admitting that Brindell was a friend of his. Mr. Backer declared the labor leader had had no part in the \$25,000 transaction and that his name had not been brought into the

Testimony Is Protested. John O'Connor, counsel for Brindell, appeared before the committee and protested against the testimony given

Referring to the committee's proceedings, Mr. O'Connor said it has "developed into an attack by certain interests on organized labor. There is no other purpose in view except to discredit leaders of organized labor nd by this disorganize labor and re

why he was requiring Kaste to establish what law provides for an unborn child, Judge Gatens said that if the clause in the contract may be constructed to provide for the future, it is against public policy to permit the case to be tried and that he could consider it only in the light of providing for a child as reparation for a wrong.

Mr. Kaste, in his statement of the case, told the jury that he will pro-

adopted at Chicago, and thus you sidestepped the question, and you state in your telegram to me the perfectly futile thing you are willing to do upon the subject of article 10.

"Your telegram to me undertakes to state your case, and both what you say and what you refrain from saying confirm the understanding I expressed in my speech that your position and purpose are to impose upon the United States the covenant negotiated at Paris without any real tlated at Paris without any real Prohibition Defeat in British

WORLD COURT IS EXPLAINED

Elihu Root Tells of Plans for International Justice.

NEW YORK, Oct. 21 .- Elihu Root, in in address tonight before the bar ssociation of this city, explained for the first time some of the accomplishments of the international commission

ments of the international commission of which he is a member, toward perfecting plans for a permanent court of international justice.

Mr. Root laid emphasis on the forward step taken at the conference at The Hague this year, when a basis was laid for determining what international disagreements are truly justiciable, and means for insuring that such excess should come before an international disagreements. of the attorney-general's office, re-turned an indictment against Armour & Co., Chicago packers, and against the officers individually, charged with profiteering in violation of the Lever act. the officers individually, charged with profiteering in violation of the Laver act.

The company officers indicted inception in the company of the company officers indicted inception in the company of into the state of Washington in an endless stream unless some drastic action is taken to forestall it. Donald said, and it was one of the most serious problems of the commission on which he sat to define the term as applied to international law.

The older specification in a need only in a vague sense in the treaties for arbitration into the state of Washington in an endless stream unless some drastic action is taken to forestall it. Donald A. McDonald federal prohibition director for Washington, says.

Fifty good automobile roads lead into Washington from British Columbia, Director McDonald pointed out, and he has little more than a corporal's squad of agents to stem the company of the

rather along lines of diplomacy than of strict justice, and there was a tendency to compromise rather than adjudicate disputes in accordance with principles of law and justice. This, Mr. Root said, was another feature which present plans eliminate in favor of a more strictly judicial procedure. He said the plans provide that the international court shall decide cases He said the plans provide that the international court shall decide cases "strictly according to law, letting the consequences take care of themselves." Nations with disputes to settle, may under the league of nations, either "consent" through representatives in the assembly to submitting differences to the court of arbitration or, lacking such consent, the question automatically goes to the council for settlement. Arbitration by the court, he said, is to be obligatory on "all questions of strict legal right." This provision, he added, was inserted in the plan in the exact words of the recommendation of the bar association submitted to him before leaving for The Hague.

The plan recommendation that this indence expressed the oplinion that this action may result in the director's resignation. Millions of dollars will be garnered by liquor runners, under the new liquor regime in Canada, the director said, and stated that he believed the high prices and the market in Washington had strongly influenced the British Columbia vote.

"As a last hope, I am working now on possibility of getting a new state 'dry law' enacted by the next legislature. I pointed out the weakness of the state and federal acts in a letter yesterday to George D. Conger, support of the plan in the exact words of the recommendation of the bar association submitted to him before leaving for The Hague.

The plan revenies that the same washington, and persons the indence expressed the oplinion that this action may result in the director's resignation.
