PHILADELPHIA. Oct. 25 .- George Horace Lorimer, editor of the Satorday Evening Post, tonight gave out

"Governor Cox is a millionaire newspaper editor and publisher of long experience. He must therefore understand that it is a first point of honor among newspaper men not to make se of advance copies of publications that are sent out with the understanding that they will not be reeased until a fixed date in the future. He must know, as a publisher, that at the postal rate now being charged periodicals and newspapers, no question of a subsidy by the government is involved; that the periodicals are not only paying their way, but that under any kind of an efficient admin-istration of the postoffice there is a handsome profit in carrying them. Postal Advance Accepted.

Though the editor of the Saturday Evening Post has had something to say editorially on other sections of the revenue bill, he has accepted and the revenue bill, he has accepted and consistently refrained from attacking the advance in postal rates, even though he believes it unjust. If Governor Cox has studied the advertising columns of the Saturday Evening Post with the intelligence and knowledge that the profiler and consistent of the saturday and consistent of the saturday and consistent of the saturday and saturday a that a man in his position should have, he must know that it has been the policy of that magazine to refuse casual advertising growing out of the excess profits tax, and has insisted on

OREGON SAFELY REPUBLICAN

Representative Hawley Says Stanfield Will Defeat Chamberlain.

SALEM, Or., Oct. 25.—(Special.)— Representative W. C. Hawley, follow-ing a jaunt which took him to many sections of Oregon, today predicted that Harding and Coolidge, republican minees for president and vice-pres ident, will carry the state over their democratic opponents by 50,000 plu-rality, Robert N. Stanfield, Representative Hawley said, also would poll a large plurality over George E. Chamberlain, his democratic opponent, Representative Hawley has visited every county in western Oregon with

the exception of Curry. Everywhere, he said, he found a determination on the part of the voters to elect the republican nominees for both national republican nominees for both national and state offices. In Clatsop, Columbia and Tillamook counties, Mr. Hawley said, the republican nominee for United States sonator would lead his opponent by almost a two-to-one voic. Following his address at the Jason Lee memorial ceremonies here tomorrow afternoon Mr. Hawley will go to Albany, where he will speak in the Albany, where he will speak in the Albany where he will speak in the Albany, where he will speak in the evening. He will be in Newberg Wednesday, Dallas Thursday, Hillsboro Friday and Oregon City Saturday, and will close his campaign tour at Corvallis Monday.

Representative Hawley has been making special mention of democratic extravagance in his addresses and has been emphasizing the need of a republican administration to return the nation to a sound pre-war basis.

Tomorrow Is Roosevelt Day.

Roosevelt day will be celebrated tomorrow with the following speak-ers at county republican clubs: Pled-mont club, Senator Moser; Men's re-sort, Fourth and Burnside streets, John B. # What Dual Valves Do In Pierce-Arrow Trucks

THE Dual Valve principle is the greatest advance in trucks since the Worm Gear was introduced in 1910 by Pierce-Arrow. It means a surpassing performance—vast power and surprising economies.

# They Save Road Time

More power and more speed mean avoiding road delays, doing more work, making more trips. The pulling power is equal to any demand. Hills and rough going have no terrors.

# They Save Operating Costs

Increased valve area means a fuller, purer gas mixture. Fired by two sparks, all of the charge is converted into power. This means a big saving in gasoline-more miles per gallon.

# They Save Shop Time

Sturdiness keeps Pierce-Arrow out of the shop. The ready accessibility of its parts permits repairs to be made when necessary, in the least time and saves big labor charges.
