

ELECTION HOLDS UP WORK ON '21 BUDGET

Commissioners Defer Task Until After Campaign.

TAX MEASURE OBSTACLE

Appropriations Must Be Cut by One-Third if Voters Refuse Continuance of Revenue.

City officials will no sooner emerge from the political campaign than they will be forced into the arduous task of preparing the 1921 budget of municipal expenditures. This budget, under the provisions of the city charter, must be filed with the city auditor not later than the third Monday in November, which this year is on November 15.

It is impossible for the city officials to work out the budget until the results of the November election are known. The council has referred a measure to the voters regarding the three-mill tax levy which was voted one year ago. Much depends upon the success of this measure, according to the members of the city council, for should it fail, they say, the council will be faced with a task of reducing the service in all departments by at least one-third. The results of the election will not be known until November 3, and then only unofficially. Should the vote on the three-mill tax measure be close, it may take until November 4 to tabulate the unofficial count.

The council usually has from three to four weeks in which to prepare the budget. This year, however, the council will be forced to complete the job in less than 10 days. The estimates prepared by the various city departments are already too high, and according to members of the council, many will feel the sharp edge of the pruning knife.

The city commissioners are determined to use as much money as can be spared from other departments in purchasing new equipment for the fire bureau, and the apportionment of funds for this purpose will take considerable time.

BONDS SELL AT PREMIUM

DEMAND FOR MUNICIPAL SIX PER CENTS IS BRISK.

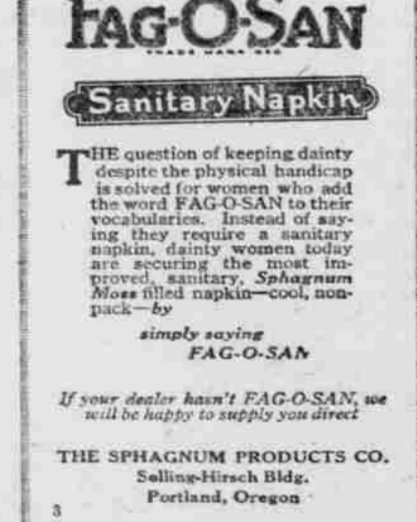

Bids for Block of \$138,000 Would Take Three Times Amount Offered.

Demand for municipal bonds was brisk yesterday, and a block of \$138,000 of 6 per cent improvement bonds was three times oversubscribed. This is the first time in many years that municipal bonds have met such a demand. All of the bonds disposed of in the sale yesterday brought a premium. Freeman, Smith & Camp entered a bid for the entire block and were awarded \$118,000. This bidder paid \$109.03 for \$88,000; \$100.02 for \$23,000 and \$100.01 for \$50,000 of the bonds.

The Security Savings & Trust company was awarded \$10,000 of the bonds at \$100.25; Abe Tichener, \$5000 at par and \$6 premium; George C. Planders, \$4000 at par and \$4 premium, and the Meridian Land company \$500 at \$100.50.

School Tax Levy Voted.

CENTRALIA, Wash., Oct. 26.—(Special.)—A special school election was held in Pe Ell Saturday to authorize the school board to levy an additional 7 1/2-mill tax to carry the schools through the year. The levy was approved by a better than 2 to 1 vote.

FAG-O-SAN
Sanitary Napkin

THE question of keeping dainty despite the physical handicap is solved for women who add the word FAG-O-SAN to their vocabularies. Instead of saying they require a sanitary napkin, dainty women today are securing the most improved, sanitary, Spaghnum Moss filled napkin—cool, non-pack—by simply saying FAG-O-SAN.

If your dealer hasn't FAG-O-SAN, we will be happy to supply you direct.
