# GOODING'S LEAD CUT VICTORY SURE

BOISE, Idaho, Nov. 4.—(Special.)—
The majority held by Frank R. Gooding, republican, United States senatorelect from Idaho in the race to succeed Senator Nugent, was reduced by late returns tonight from Tuesday's election, but with more than three-fourths of the vote accounted for, or more than 110,000 out of a probable 145,000, nothing can change the result. Gooding has been elected United States senator by from \$000 to 10,000.

Nugent increased his vote on the late returns from Canyon county, but the majority given Gooding in Bannock county more than made up for the loss. BOISE, Idaho, Nov. 4 .- (Special.)-

the loss.

Harding was increasing his lead over Cox and will have a plurality of 40,000 or better. Nugent ran ahead of Cox and Gooding ran behind Harding.

Legislature Control Won. The sixteenth Idaho legislature, which will have the honor of opening the new legislative chambers in the state capitol next January, will be absolutely in control of the republican party, for a majority of the solons in both houses will be repub-lican. Just what the margin of con-trol will be has not been definitely determined, but it will be more than sufficient to dominate and put through legislation favored and de-

sired by the republican party. DAVIS IS CONGRATULATED
