STOP! Release for Women who Suffer. The multitude of American women who suffer terribly day after day and year after year from ills peculiar to their sex is almost beyond belief, yet there is hardly a town or hamlet in the United States wherein some woman, and often many, do not reside who have been restored to health from some of the worst forms of female ills, and often avoided operations by taking Lydia E. Pinkham's Vegetable Compound. These Two Women Tell of Their Experience. Carrollton, Ky.—"I suffered almost two years with female weakness. I could not walk any distance, ride or take any exercise at all without resting. If I swept the floor or did any kind of work it would bring my sickness on. I was weak and languid, had no energy, and life was a misery to me. I was under the care of a good physician for several months and tried other remedies. I had read of Lydia E. Pinkham's Vegetable Compound and decided to try it. After taking twelve bottles I found myself much improved and I took six more. I have never had any more trouble in that respect since. I have done all kinds of work and at present am an attendant at a State Hospital and am feeling fine. I shall always recommend your Vegetable Compound."—LILLIAN THARP, 824 South 6th Street, Carrollton, Ky. Onalaska, Wis.—"Every month I had such pains in my back and lower part of stomach I could not lie in bed. I suffered so it seemed as though I would die, and I was not regular either. I suffered for a year and was unfit to do my housework, could only wash dishes once in a while. I read an advertisement of what Lydia E. Pinkham's Vegetable Compound had done for other women and decided to try it. I surely did wonders for me. I have no pains now and can do my own housework without any trouble at all. I will always praise your medicine as I do not believe there is a doctor that can do as much good for female weakness as can Lydia E. Pinkham's Vegetable Compound and you may use these facts as a testimonial."—Mrs. LESTER E. WARNER, R. 1, Box 69, Carrollton, Wis.
