Another well-known car is the Cadillac and the balance on this contract is \$710, You may have it by making the regu-lar monthly payments,

Talk about your trucks—The great-est sacrifice ever known—A Republic with 'aller: no cash payment; good references and make the regular month-ity payments and pay off the exact bal-ance on contract,

We could give you several other standard makes but what is the use, for if you are interested you will come in and let us show you what we have. This is not a money-making scheme—we simply want the balance of what we loased on these cars and not one cent of profit.
