WATER CARGES GROW SHIPMENTS TO ATLANTIC COAST PORTS INCREASE.

Mills Show Tendency During Last Week to Close on Account of Restricted Markets.

The outstanding trade feature of the Pacific northwest during the last week has been the increase in lumber shipments to Atlantic coast ports by water...

Since the increase in transcontinental rail freight rates, Oregon and Washington lumber has shipped 45,483,288 feet of lumber through the Panama canal to Baltimore, Philadelphia and New York...

While the water movement is relatively unimportant compared with the immense production of Oregon and Washington mills, it is significant in connection with the present lack of lumber-handling facilities on the Atlantic coast...
