

LITTLE CAN MEEHAN AFFRONT DEFEAT NOW

Beating by Boy McCormick Would Hurt Future.

CLOWN MUST USE FISTS

Opponent Determined to Land Knockout Blow, So It's Up to Phat to Be on Edge.

BY DICK SHARP.

Willie Meehan, Pacific coast heavyweight champion, can ill afford to drop a decision to Boy McCormick.

Light-heavyweight champion of England, when they clash over the ten-round route at the Milwaukee arena tomorrow night.

Phat will have two matches scheduled in the northwest to follow his set-to with McCormick, and to have the stuffing knocked out of him would cost him much more than the decision.

First Meehan is slated to battle old decrepit Jim Flynn in Seattle next Tuesday night.

Willie is lined up to battle "Tiny" Herman in Tacoma the following week on a Thursday night.

With a soft fight like that with Flynn in the offing it would be a sad blow to lose the match with McCormick.

Meehan may be a down and all that, he can fight if he wants to and fight hard.

The only thing that has ever been Willie Meehan's trouble has been to find something to make Meehan fight.

Anything would hurt Willie it would be to lose his figure. So getting down to the end of the line of reasoning, Meehan has to win or get a draw tomorrow night to keep busy up this way.

McCormick is set to get over a knockout if he can and crowd Meehan at every stage of the fight.

The battling Mick is in great condition and hitting like a trip hammer. Meehan is tough, but they all go down if they get hit hard enough on the point, and Boy is going to level on Willie.

The rest of the card follows: Billy Mascott vs. Ray Rose, bantamweight, eight rounds; George Eagles vs. Roy Sutherland, lightweight, eight rounds; Mike De Pinto vs. Young Joe Miller, six rounds; Mickey Dempsey vs. Jimmy Willis, four rounds.

Georges Carpentier, upon arriving in France, informed his friends that the bout between Jack Dempsey and himself for the heavyweight championship of the world would not last more than nine rounds.

Some of the reasons for this, according to Georges' statement and champion remarked: "I'll meet on that Frenchman's skin in the first round, and if I don't knock him for a goal, he can have the championship."

Tommy Robson, the Boston middleweight who fought George Shadie in San Francisco last Friday night, has one that should be set up in type: Robson has met them all and on one occasion lost a close decision to Mike O'Dowd, former middleweight champion.

In the first round O'Dowd butted Robson over the right eye and hooked him with a right hand and closed the left.

Tommy was almost blind during the entire battle and in the sixth round staggered to his corner. Benny Murphy, his manager, asked him how he felt.

"Right in the pink," squawked Tommy, "but I can't see this eye. It looks to me like there are three men in front of me instead of one."

Murphy kept sponging him off and then asked: "How'd mean, three men? Are they standing next to each other in a line or up on each other's shoulders?"

"No, they're standing horizontal," replied Tommy, "right next to each other."

Murphy looked at O'Dowd and then at Tommy.

"Sorry, buddy," he said, "but I can't do you no good. If there was standing on each other's shoulders I'd tell you to 'soak' the bottom guy, but with three in a row you should have brought your mowing machine."

Bud Ridley, the Seattle featherweight, knocked out Frankie Howard of Chicago in the first round of a scheduled four-round go at Rosereton, Wash., on the other night. Howard has been in Portland for several months and trained here for the Ridley scrap. He lost to Billy Blue at the Hellig theater last month.

Chick Johnson, Harvey Thorpe's manager, is back in Portland after a stormy session in California. Thorpe was barred in San Francisco for using foul tactics in the fight with Bert Colima in Los Angeles.

Thorpe went back to Kansas City and wanted to challenge the winner of the Jack Britton-Morris Lux go last Thursday night. He was taken out by either boxer Johnson has here, also returned home.

Joe Simonich of Butte, Mont., will meet Travis Davis of Everett, Wash., in tonight's main event in Seattle. Simonich has boxed Johnny Morris in a 15-round draw and beaten other good boys.

Both the Milwaukee and Portland boxing commissions have made overtures to Walter Wright, Champion Jack Britton, as yet without avail. If used here his opponent would be Johnny McCarthy.

Sam Langford, negro heavyweight, is due to arrive here today from Chicago. Sam will headline the December 2 card under the auspices of the Portland boxing commission.

SALEM TO SEE COLLEGES

Whitman and Willamette Are to Meet Thanksgiving.

WHITMAN COLLEGE, Walla Walla, Wash., Nov. 22.—(Special.)—The Willamette university furnishing the opposition, the Whitman college football team will play its final conference game Thanksgiving day at Salem.

Willamette only last year entered the northwest conference, and the Whitman contest will be their first conference game. The Bearcats will be out for revenge, for Whitman last year defeated them in four straight basketball games.

Final scrimmage workouts for the game were held here Thursday and Friday, with the team showing up in good form. The same lineup which defeated the strong university of Montana here recently will doubtless be used. But if men will be taken south, Coach Borleske has announced.

"Bonescrusher" Comrada, Whitman's smashing left tackle, is much better from injuries sustained in the Washington game and will be able to play, giving Whitman added strength. Tilton, sensational half, will play at right, with Shepherd playing left half, Captain Garver will play full, with

Freddie Corkrum, thought to be the lightest conference quarter, calling signals. The Whitman diminutive quarter weighs only 128 pounds. The ends will probably be filled by "Buz" Schroeder and Ray Dean at left and right. Other positions will be Burke, center, Knight, right tackle, and Comrada and Haritage, tackles.

FORWARD PASS, CRITICISED

Percy Haughton Declares Game Is Turning to Basketball.

BOSTON, Nov. 22.—A suggestion for curbing the forward pass, to prevent development of present-day football into a game more nearly resembling basketball, has been advanced by Percy D. Haughton, founder of Harvard's gridiron coaching system.

"Instead of having an incomplete forward pass revert to the team which started the play, make a forward pass blocked behind the thrower's line of scrimmage subject to recovery by opponents under the same conditions as a blocked kick," is Haughton's idea.

COUGARS WORK EN ROUTE

WASHINGTON STATE ELEVEN UNLIMBER IN DENVER.

Team Hails on Way to Meet University of Nebraska Squad Thanksgiving Day.

DENVER, Colo., Nov. 22.—(Special.)—The Washington State college football team had a two-hour workout this afternoon on Broadway field in preparation for their game Thursday with the University of Nebraska, at Lincoln, Neb., Denver university, which has charge of the field, even went so far as to hospitalize as to offer to give the Welchmen a scrimmage. The offer was turned down by Athletic Director Bohler, on the grounds that injuries might result that would slow up his team at Lincoln.

The only man on the team who isn't in tip top shape is Moe Sax, slippery little 145-pound quarter, who is still nursing a sprained foot from the Oregon Agricultural college game ten days ago. The sprain is on the mend, however, and the plucky little field general is back in the lineup.

All of the men complained of fatigue tonight owing to the 3000-foot difference in altitude between Pullman and Denver. Lincoln is about the same level as Pullman and no difficulty is expected there in that regard.

The weather here is very mild, in fact no stormy weather has been encountered since the team left Pullman Saturday morning.

The team lined up today for signal practice as follows: Right end, Bohler; right tackle, Dunlap; left guard, McKay; center, Dunlap; left guard, George; left tackle, Captain Hamilton; left end, Loomis; quarter, Sax; right half, McVoy; left half, Sandberg; full back, Gillis. The party will get to Lincoln tomorrow.

WILLAMETTE IN SHAPE

Scrimmage Halted Prior to Game With Whitman.

WILLAMETTE UNIVERSITY, Salem, Nov. 22.—(Special.)—Scrimmage practice for the Willamette eleven is ended for the 1920 season, and the intervening time until the Thanksgiving day will be given over to signal work entirely, according to Captain Rarey, who directed the workout today in the absence of Coach Mathews, the latter being called north on account of the death of a relative.

All present indications the entire first squad will be fit for the fray when they line up against the Missionaries Thursday. Since the first part of the season, one or more regulars have been on the hospital list and in few games has the full strength been demonstrated. Rarey, Wapato, Socolofsky, La wson and Hamsey, all of whom have been nursing broken bones or sprains, seem to be in good shape again.

Carpenter Posts Guarantee.

PARIS, Nov. 22.—Francis Desamps, manager of Georges Carpentier, heavyweight boxing champion of Europe, has deposited on behalf of the latter 160,000 francs in French loan scrip as a guarantee for the contract Carpentier signed with Jack Dempsey to fight here on the night of December 2.

Finish Fight Is Billed.

OMAHA, Nov. 22.—Earl Craddock of Anita, Ia., and Charley Peterson of Papillion, Neb., have been matched for a finish fight here on the night of December 2.

The Canadian veterans' soccer team lightened its hold on first place in the Portland soccer league Sunday afternoon on the Reed college grounds by registering a 4-to-1 defeat over the speedy Kerns team.

After the reverse the Vets began to swing into their stride and after hammering the Kerns goal for some time, Wilkinson scored a goal. Within a few minutes the Vets added to their score, when James Forsythe tallied.

After crossing over the Vets continued to have most of the play and hammered away at the Kerns goal, which was well served by the young goalkeeper, Tauscher. The winners were not to be denied and by keeping up the pressure, Demmon and Wilkinson were successful in adding to the total.

It would be hard to detail the outstanding players on the Vets' side. Thomason at goal was sound. The backs, Jack Forsythe and Jeffrey, put up a great exhibition, the half-backs, Colgan, Harold Eykibosch and Swan played a determined game, while the forwards played the Kerns defense off their feet.

For Kerns, Tauscher at goal played a good game, with Peckham and Harbottle starting in the forward line. It is interesting to note that the Vets have three sets of brothers playing on their team, George and Jack Swan, Harold and Cyril Eykibosch and Jack and James Forsythe.

The lineup follows:
Kerns (1)

TURKEY SHOOT SUCCESSFUL

R. V. Rexford High Gun With 7 Birds to Credit.

SALEM, Or., Nov. 22.—(Special.)—The big turkey shoot held at Middle Grove nursery Sunday afternoon was a perfect success. Some good scores were made by the 50 or more trapshooters who participated.

The splendid marksmanship of R. V. Rexford featured the day. By breaking 125 out of 124 targets he walked away with seven turkey tickets, with C. Leith of Woodburn second with four.

Mr. Herron, who managed the shoot, promises a number some time near Christmas and expects to have several members of the Portland Gun club present.

"Stranger" Lewis Throws Zbysko. NEW YORK, Nov. 22.—Ed ("Stranger") Lewis of Lexington, Ky., threw Wiadek Zbysko of Poland in a catch-as-catch-can wrestling match tonight with a flying headlock in one hour 25 minutes and 48 seconds.

Lewis thereupon earned the right to meet Joe Stecher of Dodge, Neb., world's champion, who tonight threw Lewis O'Donnell of France in 11 minutes 40 seconds with a body scissors and arm hold.

Thanksgiving Game Arranged. OREGON CITY, Or., Nov. 22.—(Special.)—The American Legion football team of this city will play the Chewmaw Indian school here on Canemah field on Thanksgiving day. The Multnomah Guards defeated the American Legion team in a fast game Sunday on Canemah field. The score was 6 to 7.

BENJAMIN BOUT DELAYED

HARRY SCHUMAN'S INJURED HAND NOT HEALING.

Four Boxing Cards Arranged by Promoters for Shows in December.

The scheduled ten-round bout between Joe Benjamin and Harry Schuman at the Milwaukee arena December 8, has been postponed again, this time to December 22.

The two were originally slated to mix tomorrow night but owing to a broken hand sustained by Schuman in his match in Tacoma against Muff Bronson some time ago, the melee was postponed until December 8. Schuman's hand has not been mending just right so he was rushed to a doctor by Frank Kendall yesterday and it was pronounced that Schuman's mitt would have to have longer than two weeks to be ready for a fight.

Benjamin is here and ready to train, but has been putting the work off pending the outcome of the examination of Schuman's hand by the Milwaukee commission's doctor. Joe also had a bad hand but it has not been bothering enough to worry him greatly.

Four boxing cards will hold the boards in this neck of the timber during the month of December, two under the auspices of the Portland commission and two at the Milwaukee arena. Portland shows will be held at the Hellig theater December 2 and 14, while the Milwaukee cards are scheduled for December 8 and 22.

FISH HATCHERY SITE GIVEN

Former Roseburg Man Donates Property to Sportsmen.

ROSEBURG, Or., Nov. 22.—(Special.)—A. Kendall of Pittsburg, Pa., newly owner of the water and light plant in Roseburg and also one of the principal owners in large tracts of timber land on the North Umpqua river, today donated sufficient ground to the Umpqua Sportsmen's league for the purpose of establishing one of the largest trout hatcheries in the state.

State officials agreed that when the local club secured a suitable site for the hatchery, capable of handling from 4000 to 5000 trout each year, adequate buildings and equipment would be installed at once.
