

FIGHT ON WILSON'S APPOINTEES STARTS

Shipping Board Members Meet Objections.

JONES LEADS ATTACK

Refusing Confirmation Declared Usual Custom When President Retiring.

WASHINGTON, Nov. 23.—Announces that he will oppose confirmation of all appointments to the shipping board that recently President Wilson was made today by Senator Jones of Washington, chairman of the senate commerce committee.

"I shall do all in my power to prevent confirmation," he said.

When the shipping bill was passed it was my hope and desire that the president would approve the board immediately and start its important work. Instead of doing that, the president waited four or five months until after election and appointed some men who are inexperienced and unwise, although some of the appointees are good men.

"Under the circumstances I think President Harding should have a free hand to do what he wants in the direction of its policy and I shall do all in my power to prevent confirmation of the appointees named by President Wilson."

In addition to the shipping board nominations many other appointments of President Wilson probably will be held up, according to republican senators, those returning to the Senate next month. Some expressed doubt that any nominations would get through the Senate. The practice of refusing confirmation to appointments by outgoing presidents has been general in the past by both parties, it was said.

TEAL'S PLAN NOT UPSET

Portlanders to Continue to Capital and Take Up Duties.

SAN FRANCISCO, Nov. 23.—Following the announcement of United States Senator Jones of Washington that he will oppose confirmation of President Wilson's recent appointment to the shipping board, Chester Rowell of Fresno, Cal., one of the appointees, said here today:

"I did not seek the appointment and I do not seek confirmation. Senator and I are in agreement with making no difference with my plans as an appointee of the board."

Joseph N. Teal of Portland, Or., another appointee, also was in San Francisco today. Mr. Teal said:

"I should judge that Senator Jones' announcement will make no difference with Mr. Teal's plans either."

Mr. Teal will leave for Los Angeles tomorrow and return to San Francisco. They will return here Friday and will depart from here for Washington to assume their duties as appointees to the shipping board.

REPUTED "RED" CAUGHT

JOE GAMMAN FACES CHARGE OF CRIMINAL SYNDICALISM.

Prisoner Said to Be Northwest Organizer of Industrial Workers of World Under Haywood.

Joe Gamman, a recent arrival from Chicago, said to be the chief lieutenant for William Haywood, head of the Industrial Workers of the World, was arrested at Grand avenue and East Alder street yesterday afternoon by officers of the police morale squad. He faced a state charge of criminal syndicalism.

Gamman is said by the police to have been placed in charge of I. W. W. activities throughout the northwest. Numerous letters from the head officials at national headquarters were found on him when he was placed under arrest.

During the last few weeks Industrial workers of the world have been striking into Portland, according to information which has been received by Chief of Police Jenkins, and it is thought Gamman's appearance in Portland was for the purpose of perfecting the local organizations in Oregon and Washington.

The policemen making the arrest say Gamman had in his possession credentials which gave him power to any district director throughout the northwest and other credentials from the national office, it is said, placed him in charge of the northwest district for organization purposes.

Following a conference less than two weeks ago between city, state and federal officials, Mayor Baker and Chief Jenkins announced that a determined drive against the I. W. W. elements and other revolutionaries would be prosecuted, and the arrest of Gamman is said by the police to be an important link in the general clean-up of this class.

Gamman will have a preliminary hearing today in municipal court, and probably will be bound over to the state grand jury on a charge of criminal syndicalism, it was announced at police headquarters.

OPERA SUPPORT IS URGED

ASSOCIATION DECLARED EDUCATOR AND ASSET OF CITY.

Members of Rotary Club Hear Benefits of Musical Body Entertained by Speakers.

That the Portland Opera association has a value as one of the great educators of the city, as well as being an asset for the bringing of residents here, was the declaration of Charles F. Berg, who spoke on the "Work and Value of the Portland Opera Association" at the luncheon of the Rotary club at the Benson Hotel yesterday.

Mr. Berg urged the duty of the Portland public to support such an organization.

Portland is beginning to be known as the musical center of the north, according to Mrs. E. L. Thompson, head of the association in introducing a number of artists of the association, who sang. She declared this distinction to be well worth striving for.

John Wedemeyer and John Trebome sang a duet, "The Force of Destiny," by Verdi, and Phillips Wolfe rendered

a solo. May Van Dyke Hardwick was the accompanist.

The social and musical features at the opening of the programme under the direction of Walter Jenkins, J. L. Wright, who presided, announced that the Rotarian club had purchased \$1,000 worth of tickets to the presentations of the opera association and that these would be distributed among music lovers who would otherwise not be able to attend. It was said that the proceeds of the sale of the blind institution or other institutions might be thereby given a chance to attend one of the operas.

Professor P. O. Riley, eastern educator and a former member of the Rotary club of Kankakee, Ill., was a guest of Estes Snedeker at the luncheon. Professor and Mrs. Riley will spend the winter at the Nortonia hotel in Portland.

EIGHT DEMOCRATS WIN

Five Idaho Senators and Three Representatives Are Elected.

BORNE, Idaho, Nov. 23.—(Special)—The democratic party will be represented in the new Idaho legislature by five senators and three representatives, or a total of eight members out of the 93 members of both houses, according to the official returns from the 44 counties as canvassed by the state board of canvassers today.

Democratic senators were elected from Ada, Camas, Gem, Owyhee and Villey counties while representatives of that party were chosen in Camas, Elmore and Bonner counties.

W. Scott Smith, representative from Owyhee county, a resident of Malad, is being nominated for speaker of the next house of representatives. He is a republican and served in the last legislature as a member of the lower house.

IDAHOS FEARS JAPANESE

Anti-Alien Law Proposed to Save Land From Orientals.

BORNE, Idaho, Nov. 23.—(Special)—Members sent to the Idaho legislature have been approached and asked to support an anti-alien law such as exists in California. At the present time Idaho permits, under its laws, Japanese to own lands in this state.

Solons elected to the legislature are being asked to pledge themselves to reject this law.

It is pointed out that other western states, including Utah, have taken measures to provide against alien ownership of lands, and the fear is expressed that unless some measure of protection is taken Japanese will leave California and coast states and come to Idaho to make their homes in great numbers and get possession and ownership of lands.

WILL BENNETT GETS POST

Place as Cashier of Inland Empire Bank of Pendleton Won.

PENDLETON, Ore., Nov. 23.—(Special)—Will H. Bennett, state superintendent of banks, whose resignation will become effective December 31, will succeed E. C. Wailes as vice-president and cashier of the Inland Empire bank of the city on January 1, 1921, according to an announcement made today by J. W. Maloney, president of the local institution.

Mr. Wailes, who was one of the founders of the city's youngest financial institution, will sell his stock now held in the bank to Mr. Bennett and leave Pendleton in the near future because of illness in his family. Mr. Wailes has been connected with the bank for 21 months. He will probably retire from the banking business temporarily, and leave soon with Mrs. Wailes for the south in hope of benefiting her health.

BULLDOGGER IN TOILS

Ray McCarroll of Pendleton May Lose Auto Driver License.

BENEDICTON, Ore., Nov. 23.—(Special)—Ray McCarroll of the city will be the first man in Umatilla county to have his right to drive a motor vehicle in Oregon rescinded if state officials concur in the recommendation set up by the secretary of state and Police Judge Fitzgerald and Traffic Officer Lyday.

The recommendation was made as a result of a wild ride down Main street and across Market street bridge Sunday night by McCarroll, who was alleged to have been drunk. McCarroll, who in a round-up bulldogger of some repute, in his wild dash injured one man, grazed another and smashed the car he was driving. McCarroll was fined \$50.

SALMON CATCHES LARGE

Sierra Run on Grays Harbor Is Excellent, Say Fishermen.

ABERDEEN, Wash., Nov. 23.—(Special)—The salmon run on Grays Harbor has been and still is excellent, according to reports of fishermen. The motorboat Alkum, tender for the fisherman at the mouth of the Humpback river, returned yesterday with but a few pounds under six tons, and the catches have been around that mark for several days.

No cannery has been putting up salmon, and the fish have been shipped east in refrigeration. The return to the fishing was not greatly under that of past years, though there were not so many fishermen employed.

ARMY DIVISION SHORT OF MEN.

TACOMA, Wash., Nov. 23.—(Special)—The Army division on Grays Harbor still exists in the fourth division at Camp Lewis despite the fact that recruits are arriving at the cantonment from almost every section of the United States and are continuing an intensive campaign to get men, and apparently it has been fairly successful. The number of recruits in recent weeks has increased perceptibly over the summer months.

Gamman will have a preliminary hearing today in municipal court, and probably will be bound over to the state grand jury on a charge of criminal syndicalism, it was announced at police headquarters.
