# Men's Gift Annex Second Floor

As a convenience, more particularly for women choosing gifts for men during these busy days when our Main Floor Men's Store is thronged with gift buyers, we shall open today on the Second Floor, Fifth Street, a new auxiliary section of men's things. This special Christmas section will be served by skilled salespeople versed in masculine tastes and they will be glad to advise women in choosing gifts for men. Please remember this location—Second Floor—the new Gift Annex for Men—open at 9:15 A. M. today (Tuesday), at Meier & Frank's. We shall maintain this section until Christmas.

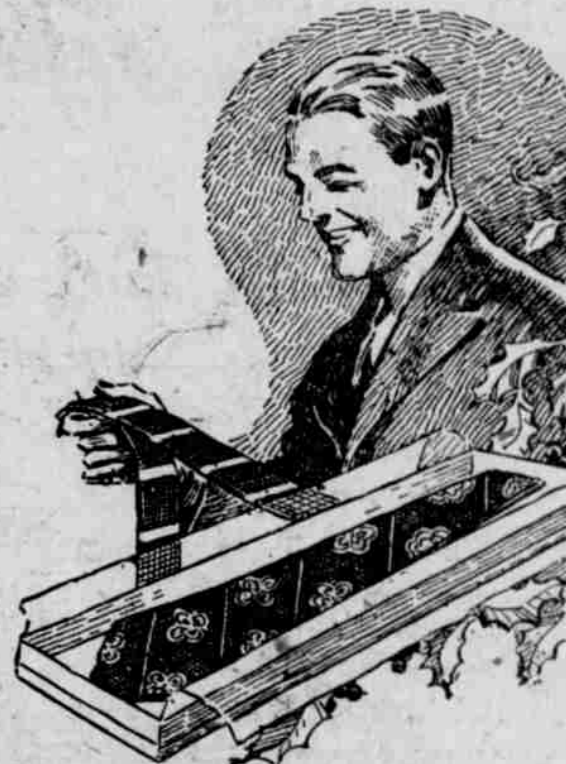

Here Are 2 Special Christmas Offerings to Fix the Location in Your Mind

# 5000 TIES \$1.00

Formerly \$1.35 to \$2.50, the great majority being of the better kinds. The opportunity to get such Christmas ties at a dollar will induce seekers after good gift neckwear to buy these ties in threes and sixes.

Capital ties from some of our best makers—you need have no hesitancy in giving them to your most critical man friend.

They have all the appearance of higher priced kinds. The variety is of the widest. Four-in-hand ties, with slip-easy bands. KNIT TIES of former \$2 to \$3.50 values included.

REMEMBER the Location Second Floor

# 3000 SHIRTS \$3.50 (Tax 5c)

3 Shirts for \$10 (Tax 10c)

Give a man some of these shirts for Christmas and he'll commend your good taste no less than your practical good sense.

They are ideal shirts for gift giving because they are of distinctly the better sorts and withal of the most thoroughly serviceable character. Incidentally, shirts of these same qualities have been selling until recently at considerably more—many are HALF PRICE and less.

A man certainly will appreciate getting, say, three of these shirts and the purchaser will appreciate being able to procure such fine ones at 3 for \$10.

### Shirts of Excellent Materials

put together with the skill and care that go into the better kinds. Nearly a score of different cloths—this sale runs the gamut of fine shirtings, even to the extent of taking in PURE SILKS and superior quality fiber silks. Plenty of good-looking patterns and colorings from which women will especially enjoy choosing. "His" size.
