ETHER HELPS LOOTERS

Woman Bound and Gagged by Masked Pair—Many Houses Robbed, Pedestrians Held Up.

TOLEDO, O., Dec. 21.—Bandits continued to terrorize Toledo citizens today, following a \$16,500 robbery last night at the offices of the American Railway Express company in which 16 guards were overpowered by six masked men armed with shotguns. Shortly before noon today three automobile bandits kidnaped W. O. Baldwin, bookkeeper for the Ohio Dairy company, and took him to the outskirts of the city where they threw him from their car after robbing him of \$500.

After being overcome with ether, Mrs. W. W. Simmons was bound and gagged by two masked men, who looted the home of everything of value. Mrs. Simmons is said to be in a critical condition from the shock. Several other houses and street robberies were reported to the police today.

SHARPshooters SCOUR CITY

Shoot All Suspects Who Try to Escape, New York Order.

NEW YORK, Dec. 21.—Armed with repeating rifles, 20 picked sharpshooters of the New York police force tonight scoured the city in automobiles in a hunt for bandits.

Each sharpshooter was accompanied by three detectives and a patrolman. They were under orders to shoot every suspect who attempted to escape them.

Other drastic measures to curb New York's crime wave which today swept into nearby New Jersey towns were launched by police officials and judges.

Removal of Police Commissioner Enright was proposed in a resolution introduced at a meeting of the board of aldermen. The resolution was tabled, however. Similar action was taken on a resolution to appoint a committee to investigate the police department and report to Governor-elect Miller.

An increase in the police force of 750 men was authorized by the board of estimates.

Judge McIntyre of the court of general sessions ordered 150 persons now on bail of from \$1500 to \$10,000 on robbery charges, to appear tomorrow, when he said, their bail will be increased.

New Jersey police aroused by today's crimes, an attempted bank robbery in Milltown, the chloroforming and robbing of a girl, and two hold-ups—gave orders that all tube stations and ferries in Jersey City be kept under guard to prevent the influx of criminals driven from New York.

Speedy justice was meted out to two robbers captured this morning when a band of four attempted to rob the First National Bank of Milltown, N. J. Within 12 hours after their capture by a posse they were under sentence of from four years and eight months to seven years in prison.

Sheep Shooting Charged.

OREGON CITY, Dec. 21.—(Special)—The trial of Charles Howard Thomas, accused of shooting sheep in the Scotts Mills district, will take place in justice court here December 23. He was allowed his liberty on his own recognizance and it is rumored that at the trial Thomas will have a large delegation from his neighborhood to testify in his behalf.

Sam, according to a ruling made Monday by Judge Bean in the United States district court. The decision was announced in the case of Joseph F. Dwyer against the Holzman company, L. Holzman, Paul Harbaugh, Ben Levin, the General Novelty company and others. The element of chance that was evident in the ticket-dispensing machine for which Dwyer wanted the sanction of the government was held against him in the judge's decision, which stated that the principal element of value that was claimed for the contrivance was its gambling ability.
